STEPHEN FRANKLIN NOBLE, JR.
Grand Master, 1975-76

STEPHEN FRANKLIN NOBLE, JR.

Stephen Franklin Noble, Jr., 33°, the new Grand Master of Masons in North Carolina, was born in Ayden, North Carolina, January 18, 1923, the son of Mrs. Noble and the late Stephen Frank Noble, Sr. There was one other child born to this family, a brother, John Clark, who continues to reside in Ayden.

The subject of our sketch received his public school education in the public schools of Ayden. During World War II he served in the Merchant Marine for a period of three years, from 1943 until 1946. His geographical area of service included the Mediterranean Sea, North Africa, Europe, Russia and Turkey. Following this, he subsequently made his way to New Bern for employment.

In New Bern he fell in love with and married, Miss Frances Hammond, the daughter of Mrs. Hammond and the late John W. Hammond, in the Riverside United Methodist Church in New Bern in the year 1947.

Subsequently, two charming and beautiful daughters were born of this union; the first, Joyce, now married to Mr. Gregg Gehrig of New Bern, and teaching in the Craven County School System, resides in New Bern; the other daughter, Carol, is pursuing her studies at Atlantic Christian College, and is now in her junior year.

Our Grand Master is co-owner and manager of a tire sales and retreading business, operating under the firm title of Tru-Tread Tire Company. He and his wife reside at 310 Avenue A.

From the day our Grand Master and his wife returned to New Bern where he was to settle in business, he demonstrated a marked interest, both in church and fraternal affairs. He is an active member of the Riverside United Methodist Church where he serves on the Official Board and other committees of his church. He is also a member of the church choir and an active member of the Sunday School. For several years he served as Recording Secretary for the Quarterly Church Conference and has served also on the Finance Committee of the church.

His Masonic history is very interesting. He united with St. John's Lodge No. 3, being raised to the Sublime Degree of Master Mason on June 3, 1959. He immediately began to express an active interest in Masonry and in a short while he was appointed to the official line of St. John's Lodge, ascending each year until he became Master of his Lodge in 1966.

When Most Worshipful Grand Master A. A. Kafer, Jr. was installed as Grand Master of Masons in North Carolina, he immediately appointed Brother Noble as his Junior Grand Steward. From that moment, our prospective Grand Master began to exercise a keen interest in all of the functions of the Grand Lodge, especially in the Masonic and Eastern Star Home in Greensboro and in the Oxford Orphanage in Oxford. He was elected each successive year to the next highest Grand Lodge position and now he has reached the pinnacle, that of Grand Master of the Grand Lodge of A. F. & A. M. of North Carolina. Throughout his rise to the exalted top position he served on many Grand Lodge committees and boards and because of his exposure to the functions and purposes of these boards and committees he assumes his new responsibility beautifully qualified to discharge his new duties. With the dedicated interest he has maintained

throughout his Masonic career and especially with the enthusiasm he has manifested for the Grand Lodge functions throughout his rise to the top, it is safe to predict that his career as Grand Master of Masons of North Carolina will be an outstanding one.

Brother Noble became a member of the Scottish Rite on October 12, 1959, when he was created a 32° Mason during the Scottish Rite Reunion in New Bern. The same degree of enthusiasm which characterized him as a Blue Lodge Mason also became one of his greatest assets in the Scottish Rite as he began his work with the New Bern Scottish Rite Club and subsequently became President of it. He has filled all the top positions of the four Scottish Bodies. His service to the Scottish Rite was so meritorious that on October 20, 1969, only ten years after he had been created a 32° Mason, the Supreme Council elected him to receive the Investiture of the Knight Commander of the Court of Honour. Then, only four years later, on October 18, 1973, the Supreme Council continued its recognition of his outstanding work by advancing him to the highest degree, Sovereign Grand Inspector General, Honorary, or the 33°.

He is an active member of Sudan Temple, A.A.O.N.M.S. He is also a member of the New Bern York Rite Bodies, and an active member of the Craven Chapter No. 129, O.E.S. and maintains a strong interest in that organization. He and his charming wife were initiated on the same date. He also is a former member of the New Bern Civitan Club.

Masons throughout North Carolina can justifiably look to our new Grand Master to provide an excellent and appropriate type of leadership as the entire Masonic fraternity moves into a period of history when our nation will be commemorating the 200th anniversary of its birth. Grand Master Noble's year of service at the helm of the Grand Lodge will include a portion of the calendar year 1976 when many of these celebrations will be held throughout the State. It will be a great year for Masonry in North Carolina and we heartily congratulate our new Grand Master on the opportunity which is his to serve during such an auspicious period. We have every confidence that he will admirably measure up to every responsibility with which he is confronted during the year.

The Grand Lodge

of

Ancient Free and Accepted Masons

Of North Carolina

To All and Every Our Worshipful and Loving Brethren—Greeting:

Know Ye, That Whereas, the people in the several provinces of North Carolina did meet in Congress at New Bern, North Carolina on the 25th day of August, 1774 in defiance of Royal Authority to protest the oppressive acts of the British Crown; and

Whereas, said Provincial Congress was the first public assembly of the Colonists in America which led to the Declaration of Independence and the birth of the United States of America; and

Whereas, one of the most traumatic episodes in the history of our nation climaxed on the 9th day of August, 1974 with the first resignation of a President of the United States during the 198 year history of our Country and with the installation of Brother Gerald Rudolph Ford as President of the United States of America; and

Whereas, members of the Masonic craft played a great and important role in all events leading to the Declaration of Independence from the British Crown and the establishment of the government of the United States of America; and

Whereas, The Grand Lodge of Ancient, Free and Accepted Masons of North Carolina is now assembled at New Bern, North Carolina to join in the bi-centennial celebration of the First Provincial Congress; and

Whereas, it is deemed fitting and proper that we reaffirm our belief, faith and trust in Almighty God; that we humble ourselves before Him as individuals and as a nation and implore the divine blessings of God upon our President that he may be imbued with wisdom and courage to lead us in these troublesome times to be the nation which God would have us be.

Now, Therefore, The Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, does hereby

PROCLAIM

the week of August 19, 1974 a special week of prayer for the President of the United States of America, Brother Gerald Rudolph Ford, and does hereby beseech every Freemason within the Grand Jurisdiction of North Carolina to

humble himself and fervently and sincerely invoke the blessings of Almighty God upon our President, that he may be filled with divine wisdom and unflinching courage to lead the United States of America to be the nation which God Almighty would have it be.

Entered at New Bern, North Carolina in the United States of America under the hand of the Most Worshipful Grand Master and the Grand Seal of Masonry, this 19th day of August, 1974 A. D.; 5974 A. L.

BROTHER ROBERT P. DUDLEY

November 1, 1974

Now and then in one's Masonic experience, the opportunity presents itself when that person has a choice duty to perform. It is my privilege now to pay tribute to one of the best loved Masons in North Carolina; a man who is still young in years, but a veteran in service to Masonry in our State and in the nation.

At a time such as this, one is moved to reflect (and possibly do a little boasting) on certain events, or accomplishments, which were originated by him and for which he is solely responsible. Two such events come to mind for which I feel very proud, the first of which happened on a far away day in 1925 when I was able to persuade a very lovely young lady to be my bride. This was by far the best day's work I ever did. We were married on June 1, 1925, and have only recently learned of elaborate plans our four children are making to

celebrate that event on June 1st of next year, our 50th wedding anniversary.

The second outstanding event that comes to mind now and which I also personally originated happened in 1962 when we were able to persuade Brother Robert P. Dudley to come into the Grand Secretary's office to prepare himself for this very day. It was a difficult decision for him to make. He owned a partnership in a going business and elected to come with us at a reduction in income.

To go back a ways, at the Annual Communication of the Grand Lodge in 1960, when M.'W.'Brother Harvey W. Smith was installed Grand Master, the late M.'W.'Watson N. Sherrod, P.G.M., who was then Chairman of the Committee on Finance, instructed me to be on the lookout for an outstanding young man to bring into the Grand Lodge office to prepare himself for the office of Grand Secretary. Word got around that we were looking for an assistant, and during the next 22 months we interviewed dozens of applicants, but Brother Dudley was not an applicant. None of those we interviewed were acceptable to Brother Smith, or later to M.'W.'Brother James W. Brewer, who followed Brother Smith as Grand Master.

I have often wondered why it took me 22 months to think of Brother Dudley as a possibility for the appointment to the office of Assistant to the Grand Secretary, but it did, and now that it is all over I am glad I had the opportunity to meet and to interview a good many fine young Masons. It gave me a warmer appreciation for the office of Grand Secretary of the Grand Lodge of North Carolina.

When I did think of Brother Pete and mentioned him to M.'W.'Brother Brewer as a possibility for the office of Assistant to the Grand Secretary, Brother Brewer was pleased and asked me to see what I could do to persuade him to come with us, and then to set up an appointment during the Annual Communication in April, 1962 between Brother Dudley and the out-going and in-coming Grand Masters and the Chairman of the Committee on Finance. This was done and Brother Dudley accepted, provided he could be allowed to begin work on September 1, 1962, to give him time to arrange his business affairs and to prevent an interruption in the school terms of his children.

Robert Pete Dudley was born October 23, 1928 in Shelby, North Carolina, the son of John Gordon Dudley, Jr., and May Bell Hartness Dudley. His mother passed away in February, 1964 and his father died in May, 1973. I was well acquainted with both his parents and attended the funeral of each.

Brother Dudley was initiated an Entered Apprentice on May 11, 1950; passed to the degree of Fellow Craft on May 29, 1950; and raised to the Sublime Degree of Master Mason on June 15, 1950, in Cleveland Lodge No. 202. In August, 1950, less than three months after he was raised a Master Mason, he entered the Armed Forces of our Country and served for three years during the Korean Conflict, a good portion of which time he was stationed in Japan.

He returned to civilian life in August, 1953 and a month later he married the lovely Miss Doris Rucker. To this union there are three fine children: Kathy, who is now Mrs. Alan Stevens; Robert P. Dudley, Jr., a student at East Carolina University in Greenville; and

Henry Dudley, a student at LeRoy Martin Junior High School in Raleigh.

Brother Dudley was appointed Steward in Cleveland Lodge No. 202 in 1955; he was appointed Senior Deacon in 1956; elected Junior Warden in 1957, the year I first came to know him; elected Senior Warden in 1958 and Master in 1959. All of these stations and places were filled in such a manner as to claim the attention of M.'W.'. Brother Harvey W. Smith, Grand Master, who appointed him District Deputy Grand Master of the 43rd District in 1960. He was reappointed in 1961 and 1962.

Brother Dudley possesses in rare balance the qualities that go to make up the really useful Masonic servant: Integrity beyond reproach; unselfishness that impels him to treat opportunities for service as synonymous with duties; ability to think a problem out — to stand before a group of Masons, and to obtain their sympathetic attention and understanding in order to get his points across; fearlessness to attack problems that go deep into Masonry even when the handling of them is not conducive to popularity; the capacity to understand Masons wherever he finds them, and to assist them to put their Masonry on a higher level.

Such are some of the outstanding qualities of Brother Robert Pete Dudley. It is now my proud and happy privilege to present him to you as our newly installed Right Worshipful Grand Secretary!

APPRECIATION

I want to thank Most Worshipful Brother William L. Mills, Jr., Grand Master, for having appointed and installed me as Grand Secretary. Even though I have been the Assistant for twelve years, being Grand Secretary has been a new experience.

To Most Worshipful Brother Charles A. Harris, Past Grand Master, Past Grand Secretary, I can only say THANK YOU. Words could never express the friendship and love I have for you. The twelve years of close association with you will always serve as an inspiration and example to me as I attempt to fill this office. Truly a Great Man and a Great Mason has served our Grand Lodge as Grand Secretary.

I wish it were possible to bring into this Grand Lodge the girls who operate your Grand Lodge Office. They deserve the plaudits of every Mason in this state. No office has ever been blessed with such competent, loyal and dedicated employees. To Joyce Watson, Jean McLeod, Donna Bass and Jean House, "Thank you, from the bottom of my heart".

To the Masons of North Carolina — YOU ARE THE GREAT-EST!!! The words of encouragement, the expressions of brotherly love, and the many, many offers of assistance have made me realize what a fortunate man I am. My Brethren, this is your Grand Lodge and the Grand Secretary's Office is open to you twenty-four hours of every day for any assistance we might be privileged to render.

Respectfully submitted,

ROBERT P. DUDLEY

Grand Secretary

REPORT OF THE AUDITOR

(Docket No. 3)

The following report of Brother Walter A. Watts, Certified Public Accountant, Auditor, was presented, entered on the record and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

I have examined the General Fund balance sheet of The Grand

Lodge of A. F. & A. M. of North Carolina as of December 31, 1974 and the related statement of income and expense for the year then ended. My examination was made in accordance with generally accepted auditing standards and, accordingly included such tests of the accounting records and such other audit procedures as I considered necessary in the circumstances.

Changes in the Building Fund Reserve, the Reserve for Book Purchases, the Bicentennial Fund, and the Special Contingency Reserve are shown in detail in Exhibit E.

In my opinion, the aforementioned balance sheet and the related statement of income and expense present fairly the financial position of the General Fund of the Grand Lodge as of December 31, 1974 and the results of operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with prior years.

Respectfully submitted,
WALTER A. WATTS
Grand Lodge Accountant

PRESIDENT'S REPORT OF THE BOARD OF DIRECTORS MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INCORPORATED

(Docket No. 8)

The following report of the Board of Directors of the Masonic and Eastern Star Home, Inc., was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

I hereby submit to you my twelfth annual report as President of the Corporation.

The total Operating Income for 1974 is as follows:

Our Share of Guests' Income.....	\$184,508.03
Contributions from Blue Lodges	169,504.44
Received from Grand Lodge	15,000.00
Received from North Carolina Masonic Foundation, Inc. --	42,400.00
Other Masonic Related Bodies.....	11,874.31
Received from Grand Chapter, OES.....	146,006.73
General Endowment Earnings.....	16,271.00
Miscellaneous	32.00
Total	\$585,596.51

The total Operating Expense for 1974 is as follows:

Administrative, Legal and Publicity.....	\$ 69,932.60
Direct Care	434,209.55
Plant Operation	122,673.45
Home Aid	1,560.00
Total	\$628,375.60

You will immediately see that our expenses exceeded our income by \$42,779.09. This is due primarily to an increased budget, inflation of expected operating expenses, and a decrease in the total amount contributed by Blue Lodges. With unemployment and inflation growing each week, I am sure we appreciate the continued support we have received.

The inservice training program for Licensed Practical Nurses with Guilford Technical Institute is still in operation at the Home. As stated before, the many benefits derived from this program profit our Guests in such vast areas, they are too numerous to name.

Our Administration Building has not been completed and it looks as if it will still be several months before it is accepted. The floors were not level and this has delayed the installation of the carpet by several weeks. Once this has been corrected, we know of

no other major corrections, at this time, to delay the completion of this structure. We are sure you will be very proud of this building once it is completed.

A new Superintendent, Thomas A. Patterson, was employed in June and a new Business Manager, Roland E. Horne, was employed in October. The transition from one administration to another has been well received and our Guests' and Employees' morale is very good.

This year, we ask each Board Member to serve as a Public Relations Officer for the Home. Encourage our Brothers and Sisters to visit the Home and see what we are doing for our 140 Guests.

Respectfully submitted,

ROBERT N. BASS, JR., *President*

REPORT OF THE SUPERINTENDENT OF THE MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INCORPORATED

(Docket No. 9)

The following report of Brother Thomas A. Patterson, Superintendent of the Masonic and Eastern Star Home of North Carolina, Inc. was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

It is with pleasure that I report to you that we had an increase in monetary support over the previous year. However, as was the case last year, the increase of \$15,874.83 was not sufficient to cover our total expenses, but certainly was a great help. Contributions increased in every area except the Blue Lodges, which decreased by \$5,170.80. We received from Blue Lodges, the Grand Lodge and other Masonic Related Bodies a total of \$238,778.75, an overall decrease in Masonic contributions of \$625.33. We received \$146,006.73 from the Grand Chapter, Order of the Eastern Star, an increase of \$16,500.16.

Our total Operating Expense for 1974 was \$628,375.60. Our operating cost per Guest per day for the year 1974 was \$12.32, an increase of \$2.00 per day over 1973. The average cost per Guest was \$4,496.53, an increase of \$728.38 per Guest over 1973. We admitted a total of 22 new Guests during the year and lost a total of 27, all by death. We had an average daily enrolment of 139.4 for 1974. Due to the fact that we had to close the Latham Building and move 15 of our Guests to the 3rd floor of the Care Center, Bennette Building and Setzer Building, we have no space to admit new Guests until the new fire escapes are installed on the Latham Building. This has caused a great amount of inconvenience to our Guests and they are very anxious to return to their "home". Therefore, we ended the year with 137 Guests living at the Home.

Changes in key personnel were necessary during the year. Retirement and resignations made it necessary to employ a new Superintendent, Business Manager and a Housekeeping Supervisor during the last half of the year. With new personalities and ideas, these new people have initiated changes to help organize and develop per-

sonnel responsibilities and job descriptions. The established Supervisors, and the new ones, have met regularly to promote communications, understanding, cooperation, improve services, recommend changes and new ideas. These, and other employees, are to be congratulated for a "job well done", and we are determined to do better this year.

Sixty-eight employees, including part-time employees, are needed to operate the Home. One hundred and twenty-two were employed during the year and fifty-eight left for various reasons. During the last few weeks, we were able to employ more desirable and capable employees and it certainly has improved our total program. We are proud of our Staff and shall continue to upgrade our quality and dedication to service as we employ new personnel. We are especially proud of those dedicated people who have served the Home through the years with endurance and loyalty to the cause and objectives we strive to achieve.

With an increased budget approved for this year (1975), inflation, and not having met our budget for two years in succession, I feel we must realistically approach our means of support. I feel a realistic approach must be made to each Lodge and Chapter as to their responsibilities and obligations to our aged. We had 61 Blue Lodges who did not contribute anything to the Home during 1974. On the other hand, we have a number of Blue Lodges who went far beyond the call of duty because individuals in these Lodges care and make their members aware of our obligation to the Home and our Guests. Is it fair to let these 61 Lodges shirk their responsibility and make others bear their burden? Surely, each Mason should bear an equal share of the burden voluntarily. The Grand Chapter, Order of The Eastern Star, met its increased responsibility and is to be commended. Yet, they too, will face an increased budget for the Home for 1975 and must realistically seek means to shoulder their share of the budget.

We, at the Home, join in giving thanks for another profitable year and for the privilege of serving our Guests.

Fraternally submitted,
THOMAS A. PATTERSON
Superintendent

REPORT OF THE GRAND HISTORIAN

(Docket No. 10)

The following report of the Grand Historian was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

In my report to the Most Worshipful Grand Lodge at its 1974 Annual Communication, I, as your Grand Historian, opened my report by saying, — "Buried deep in the early history of our nation, sleeping in eternal bliss, is the Masonic influence which our fathers exerted, beneficially aiding in the founding of the American Colonies and, later, the formation of a form of government that was to endure through the centuries".

In keeping with that thought, your Grand Historian submits herewith a biographical sketch of the first Grand Master of the Most Worshipful Grand Lodge of North Carolina, Samuel Johnston, who served as Grand Master in 1787 and consecutively in 1789, 1790 and 1791.

Too much cannot be said for or about the patriots of steadfast will and determination who endured hardship and privation to promote the cause to which they gave their all. Samuel Johnston was such a man.

It is the hope of your Grand Historian to give to the Grand Lodge at its 1976 Annual Communication a biographical sketch of the three patriotic Masons who signed the immortal Declaration of Independence for North Carolina in 1776, which event we, as Masons and as patriotic Americans, celebrate next year on the 200th anniversary of that historic event.

**SAMUEL JOHNSTON, FIRST GRAND MASTER
OF THE GRAND LODGE OF NORTH CAROLINA
1787, 1789, 1790 AND 1791**

Samuel Johnston was born in Dundee, Scotland, December 15, 1733, and was brought by his parents to North Carolina before he was three years old. His parents located in Onslow Precinct where his father had large holdings, the county seat being called Johnstonsville in his honor.

Young Samuel was educated in New England and studied law under Thomas Barker, who resided in Onslow; he acted as clerk of Superior Court of Chowan from 1767 until the courts ceased to exist in 1773; also, he was a deputy naval officer for the province until the beginning of the Revolution, having purchased that office from the appointee of the Crown who remained in England.

In 1765, Brother Johnston purchased a plantation in Chowan County and that became the place of his residence. Here he surrounded himself with every comfort and many of the elegancies of life, and made a residence that had no superior in the Province. Here he was surrounded by an interesting family. His sister, Isabella, was engaged to be married to Joseph Hewes, but died suddenly. Hewes, one of those who signed the Declaration of Independence for North Carolina, and Johnston became close and lasting friends. Another sister married James Iredell. His brother, John was, like himself, a sterling patriot and a man of affairs.

In the same community were John Harvey, Thomas Jones, Charles Johnson, Colonel John Dawson, Edward Buncombe, Stephen Cabarrus and other gentlemen of the highest rank. For ability, learning, wealth and character, Johnston was among the foremost of the gentlemen of the Province.

In his relations with the public, he had an inflexible sense of duty and justice which dominated his character. There was a remarkable degree of self-reliance and majesty about the man Johnston. He commanded respect and admiration, but not the love, of the masses of the people.

As early as 1760 Johnston was a member of the Assembly from Chowan County, and naturally took a prominent part in the pro-

ceedings of the Assembly. During the Stamp Act times, he was a thorough patriot. When the Regulation troubles broke out, like Harvey, Richard Caswell, and all other men of prominence in the Eastern Counties, he supported law and order as against the anarchy threatened by the spread of the Regulation movement. In 1770, when the Regulators broke up the court at Hillsborough, the Assembly led by Johnston and others enacted sweeping remedial legislation. Johnston and his associates, who had ever been devoted and zealous in their adherence to the rights of the Colonies, were not inconsistent in maintaining law and order and government in 1771, and later in taking up arms in 1775.

At the first session of the Assembly after the return of the army from Alamance, the Assembly proposed to repeal the tax of one shilling on the poll imposed many years before to provide a sinking fund. Sam Johnston introduced the bill which the Governor opposed and caused him to dissolve the Assembly before the resolution could be spread on the minutes; however, Caswell the Speaker, communicated the resolve to the Treasurers, and John Ashe, Treasurer of the Southern District, did not require the sheriffs to collect it, although the Governor, by his proclamation, commanded them to do so.

At the next session, January 1773, a bill was introduced to provide attachments against the property of non-resident debtors. The Assembly passed the bill over the objections of the Governor and again he dissolved the Assembly. A third Assembly was elected and met in December, 1773. Harvey was again the Speaker, and Johnston was among the leaders.

Continental affairs were now claiming attention. Colonel Harvey received information that the Governor did not intend to convene another Assembly, and forthwith he conferred with Willie Jones, Sam Johnston, and Colonel Buncombe, and declared that he would issue handbills and the people themselves would convene an Assembly. The day following this conference Johnston wrote to William Hooper — another of the signers of the Declaration of Independence for North Carolina — asked his advice and asked him to speak to Harnett, Colonel Ashe and such other men.

Hooper and Iredell, who looked up to Johnston with veneration, had prophetic visions of America fast striding to independence, and Johnston doubtless was aware of their thoughts on that subject.

In July news was received in Wilmington that the port of Boston had been closed by Act of Parliament. Events were now proceeding with no measured steps, and on May 6, news of the battle of Lexington was received at New Bern. This gave impulse to positive patriotic action. About the 25th day of May Colonel Harvey passed away, leaving Johnston the great central figure of the Revolution in North Carolina.

In July, Ashe burned Fort Johnston and drove the Royal Governor from the soil of North Carolina, and on July 21 Johnston called for an election of deputies to attend the Third Provincial Congress. Johnston was elected moderator of that body which met at Hillsborough on August 21, and preparations were made by it for war. In October, 1775, Johnston visited Boston but returned to his post in December of that year and was charged as one of the commissioners to fit out an armed vessel at Edenton.

It appears that at the Fourth Provincial Congress, Johnston was appointed chairman of the Committee of Secrecy, Intelligence and Observation, and it appears also that that Congress had a printed copy of the South Carolina Constitution and also that of Connecticut. It was proposed to build on the latter. Johnston's view was that the only check on the power of the representatives of the people was to be found in annual elections, and he differed with other leaders in regard to the election of magistrates by the people and other provisions making the judiciary dependent on the changing mood of the people. Eventually the adoption of a constitution was postponed and the Provincial Council was replaced by a committee of safety headed by Willie Jones. Angers flared and bitter things were said of Johnston in Chowan.

In May of 1779, having been fully reestablished in the veneration of the public, Johnston was elected to represent the state in the Continental Congress, where he served from 1780 to 1782. The war being over, he addressed himself to personal affairs for 5 years, but in 1787 he was elected Governor of the State and served as such for two years. While still Governor he was chosen the first Senator to represent the State in the Congress of the United States. In that body, no one was more highly respected by his fellow senators than was he. In February, 1800 he was appointed a judge, but after 3 years on the bench he returned to private life and passed his remaining years, until his death in 1816, in the enjoyment of his well-earned retirement.

Johnston's last surviving descendant was James C. Johnston, a gentleman famed for his attainments and culture and great wealth; he left no children to carry on the line.

In the same year that Johnston was first elected Governor of North Carolina (1787) the Masons of the State elected him to be their first Most Worshipful Grand Master. Johnston was succeeded in this office by Richard Caswell who served for one year, 1788. Upon the death of Richard Caswell, Johnston was again elected Grand Master of the Grand Lodge and served during the years 1789, 1790 and 1791.

Some Masonic scholars and historians hold that Samuel Johnston's Blue Lodge membership was in Unanimity Lodge in Edenton, where he made his home for many years. Other students of Masonic history and lore hold that he was a member of Royal Edwin Lodge of Windsor, of which Johnston's brother, John Johnston, was Master in 1775, and where Samuel Johnston lived and practiced law for several years. The colonial and revolutionary records of Royal Edwin Lodge are lost, but Past Grand Master Francis D. Winston, a native and lifelong resident of Windsor concurred in the view that Samuel Johnston was indeed a member of Royal Edwin Lodge. Researches made by the late Brother Marshall DeLancey Haywood, Grand Historian of the Grand Lodge of North Carolina, point more conclusively toward Johnston's Lodge membership as being in Royal Edwin Lodge rather than in Unanimity Lodge.

Regardless of our Illustrious Brother's Blue Lodge membership, the records of the North Carolina Lodge of Research No. 666, whose charter has been surrendered, show plainly that, "Samuel Johnston

worthily exemplified the principles of Freemasonry in his public career in North Carolina, covering a period from the days preceeding the Revolutionary War to the completion of the setting up of a new nation." Lawyer, statesman, naval officer, Governor, humanitarian, Mason — we revere his memory.

Respectfully submitted,

JAMES G. JOHNSTON, P.G.M.

REPORT OF THE BOARD OF PUBLICATION THE NORTH CAROLINA MASON

(Docket No. 12)

The following report of the Board of Publication of *The North Carolina Mason* was received, entered on the record, and the portion involving finances was referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The Board of Publication of *The North Carolina Mason* met quarterly during the year 1974-75 for the purpose of reviewing the progress of the publication. Editor Reynold Davenport and Brother Allen Colenda of the Oxford Orphanage Printing Department met regularly with the Board. At each of these meetings the financial status of the publication was carefully reviewed.

During the early part of 1974-75, there was a critical shortage of paper for printing *The North Carolina Mason* and also a steady increase in the cost of paper. The paper shortage became less acute during the year, and eventually ceased to be a problem. The cost of paper for the publication has remained high.

The Board was informed that the term of Brother Robert L. Pugh was expiring this year and on motion made and unanimously

approved, it was agreed to recommend him to the Board of General Purposes to succeed himself for another term.

At the meeting of the Board of Publication on June 14, 1974, Most Worshipful Brother William L. Mills, Jr., Grand Master of Masons in North Carolina was present. Grand Master Mills presented a challenge to the Board to continue its efforts to improve the publication, emphasizing the need of their constant attention to the quality of the publication and resulting in a media we could always be proud of. The Grand Master was thanked for his presence and interest in improving the publication.

At the meeting on September 13, 1974, Brother Davenport reminded the Board of the many efforts he had made to determine exactly what the Masons of North Carolina want in their publication. He mentioned that he had asked for correspondence from the membership. He stated that the most fruitful effort of all had been in the personal contacts that he had made with the Masons during the various district meetings conducted by the Grand Master. He reported that he had obtained many valuable suggestions from the Masons and has tried to comply with them as much as possible.

Every Mason in North Carolina is always encouraged to make specific suggestions or recommendations for the improvement of the publication.

The budget for the ensuing year was approved by the Board and submitted to the Committee on Finance.

The Board pledges its continued efforts to strive to improve *The North Carolina Mason*.

Respectfully submitted,
WILLIAM E. FULMER, P.M., D.D.G.M.
Chairman

REPORT OF THE COMMITTEE ON OXFORD ORPHANAGE

(Docket No. 14)

The following report of the Committee on Oxford Orphanage was read, received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The Oxford Orphanage Committee held its first meeting for 1974-75 on August 1, at Oxford Orphanage. All the committee members, Worshipful Brother Durwood Harris, Worshipful Brother Hessie Terrell, Worshipful Brother Floyd Burton, Brother Ralph V. Shipton, C. L. and William B. Bellois, were present.

Following a brief meeting with the Administrator in the board room, an inspection tour of the entire premises was made.

A report was prepared; recommendations were made and both were submitted to the Most Worshipful Grand Master.

On March 1, 1975 the committee made a second inspection of the entire campus. Worshipful Brother Winston and Worshipful Brother Ford were with us on this tour.

The committee was pleased with the work which has been done on the premises. These improvements reflect the concern of our Most Worshipful Grand Master, the Board of Directors, and the Administration of Oxford Orphanage.

For such growth, Masons of North Carolina need be proud.

Respectfully submitted,
WILLIAM B. BELLOIS, *Chairman*

REPORT OF THE REPRESENTATIVE TO THE MASONIC SERVICE ASSOCIATION

(Docket No. 15)

The following report was read and entered on the record. The recommendation that the Grand Lodge continue its membership in MSA was adopted, and the matter of finances was referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The fifty-sixth annual meeting of the Masonic Service Association of the United States met in the Diplomatic Room of the Shoreham-Americana Hotel on February 17, 1975 at two o'clock in the afternoon. The meeting was called to order by Most Worshipful Newell A. Lamb, Past Grand Master of Indiana, the Chairman of the Executive Commission. After the roll call of the member lodges and the word of welcome by the Grand Master of the District of Columbia and also after the invocation by the Rev. Doctor Forrest D. Haggard, Grand Master of Kansas, the association then proceeded with the business of the meeting. Chairman Lamb presented the report of the Executive Commission, which, as usual, was the highlight of the session. He reported that during the year no additional Grand Lodges had joined the association. Membership continues at forty-four, the largest number in the history of the association. It is hoped that ere long one hundred per cent of the members of the Grand Lodges of the United States will belong to the association because our common labors to bring more light to more Masons, to provide useful services that benefit the whole family of American Grand Lodges, and to demonstrate that all of them can serve mankind unitedly in benevolent and relief activities, will be greatly strengthened when we can present a united front. Under the discussion of the finances of the association the chairman reminded the brethren present that at the fifty-fifth annual meeting of this association held on February 18, 1974, the representatives of the member Grand Lodges voted without dissent to increase the annual dues payable to the association by fifteen per cent to become effective on January 2, 1975. Increasing costs due to inflation have made the decision necessary.

Under Foreign Relief, after hurricane "Fifi" struck Honduras with devastating fury on September 18-19, 1974, the association received a number of inquiries from member Grand Lodges in the United States about the need for Masonic Relief in that country. Our executive secretary immediately sought information from the Grand Lodge of Honduras about the effects of the catastrophe on Masons and their families in the stricken and flooded areas of Honduras. Communication proved to be slow and difficult, but early in November the Grand Master of Honduras informed the association that while the hurricane dislocated the life and economy of that country, very few Masons and their families had been effected, and that his Grand Lodge did not feel justified in asking for Relief Funds for Masons only. However, because of the widespread need for food, clothing, medicines, tools, building materials, etc. the Grand Lodge of Honduras was participating in a national effort to relieve the distress of the people. Accordingly, on December 6, 1974, the MSA sent the first contributions it received to the Grand Master of Honduras in the amount of \$5,000.00. A second check for \$1,400.00 was sent on December 23, 1974. The total amount received as of December 31, 1974 was \$7,043.00.

In the United States, the city of Xenia, Ohio, was largely destroyed by a tornado on April 3, 1974, and many Masons and their families suffered serious losses which required fraternal aid and assistance. The Grand Lodge of Ohio undertook to provide that relief

from its own resources and from contributions from Ohio lodges and their members. It succeeded in raising a magnificent sum for that purpose, without requesting aid from sister grand jurisdictions. Although no appeal was requested by any United States Grand Lodge in 1974, the MSA is always ready to co-ordinate efforts to aid Freemasons in distress. It takes only a letter, a telegram, or a phone call to put the association to work on such a program and the MSA is proud to be of service.

SHORT TALK BULLETIN. In 1974 twelve issues of the "Short Talk Bulletin" were published. Five of those talks were prepared as part of the materials being published by the association for use by the lodges in the celebration of 1976. Four were biographical sketches of signers of the Declaration of Independence who were Masons: Benjamin Franklin, William Ripple, John Hancock, and Robert Treat Paine. Three more such sketches about Joseph Hewes, William Hooper, and George Walton are to appear in 1975 to complete the series of Short Talks about Masons who were signers of the Declaration. These Bulletins are sent regularly to every constituent lodge in all member Grand Lodges in care of the officer which the Grand Lodge designates. Approximately thirteen thousand seven hundred fifty lodges received this "good and wholesome instruction".

TALKING SHORT TALKS. A series of six cassettes was completed in 1974 for distribution to lodges. It is believed that as the cassette recordings become better known, the demand for them will increase and will justify their constant use. A second series of cassettes has already been begun. Two of them have now been completed. It is recommended that our lodge officers be reminded of these "Talking Short Talks" for good and wholesome instruction in the Craft. Where they have been used, they have been praised as "stimulating" and informative.

The MSA also published a number of digest, documents, and information in 1974 of special interest to the lodges.

MOTION PICTURES. The MSA has four 16 mm sound motion pictures produced during the last decade and these continue to be widely circulated among the lodges who are looking for inspiring Masonic speakers. The only cost is a \$4.00 service charge and return postage. Also, Masonic lodges will be glad to note that the MSA plans to release the association's new documentary film, in September, 1975 that is being prepared by Brother Allen E. Roberts of Highland Springs, Virginia whose company is known as "Imagination Unlimited".

THE HOSPITAL VISITATION PROGRAM. This very vital program of the MSA enjoyed a very rewarding and progressive year, administering to the patients in many service and veterans' hospitals. Dedicated Masons who are serving us as MSA agents, as well as the general volunteers who assist them, deserve the credit for making this a service program that has won the respect and admiration of the patients, the Veterans Administration, and the Freemasons that know about the program. On the national level, our chief field agent, Brother Daniel P. Knode, Jr. continues to be useful in this service. He is always ready to respond whenever he is called upon and his general knowledge in the program has proved invaluable in many instances.

Grand Masters can continue to make a positive contribution to the hospital visitation program by encouraging more Masons in the jurisdictions to take part in the volunteer service sponsored by the Veterans Administration. A Grand Master's visit to a Veterans Hospital in this State is a big plus for the program's public relations. Greater knowledge of the program is assimilated by the lodges, Grand Lodge publications, a continued stress on the needs, the purposes, and what it means to veteran patients and their families, are among the ways that Grand Masters can strengthen this great and good work of Masonic benevolence. Once again the Grand Master of Masons in North Carolina has achieved the enviable record of visiting every veteran's hospital in North Carolina to add his endorsement to and his encouragement of this very important program.

Masons in North Carolina are delighted to know that one of our hospital visitors, officially known as Field Agents, completed thirty years of service in this capacity and he was presented a certificate in recognition by our Grand Master, Most Worshipful Brother William L. Mills, Jr. This distinguished brother who has completed so many years of faithful service is Brother William E. Whitman of Fayetteville, North Carolina who began his service with the MSA in this hospital visitation program on December 1, 1944. We congratulate Brother Whitman on his many wonderful years of excellent service in this capacity.

At this annual communication of the North Carolina Grand Lodge we want to pay a special tribute to the Field Agents who have done such an outstanding piece of work in hospital visiting. North Carolina now has a hospital visitor for every veteran's hospital in the State and we are proud of the excellent work that they are doing. These Field Agents devise many different and interesting ways to entertain the veterans. They provide assistance for the hospital library, sometimes even in the emergency room, or in physical rehabilitation. Some of the volunteer groups assist the Field Agents in recreational or social activities. For example, some of our Field Agents have called in various chapters of the Order of the Eastern Star to assist in the program of social entertainment; others have utilized the services of DeMolay Chapters providing all types of services for our brethren in the hospitals. Some take patients for short walks as part of their rehabilitation program. Some help to furnish musical or dramatic programs for the holiday celebrations in the hospital. In fact, they perform all sorts of services for hospitalized veterans. Not the least of these are the nameless little acts of love and personal service to a patient who needs something special such as providing stationery, magazines, ball point pens, games, clothing, services like writing a letter, or making a phone call, or handling some personal affairs for a patient.

We are indeed proud of the contributions made by the devoted Masonic volunteers and Field Agents who encourage them. At the recognition services held in every veteran's hospital some of our Field Agents and Masonic workers received certificates of award from the Veteran's Administration for the large number of hours of service given during the year. If you could only listen to the many appreciative comments that our Field Agents hear from the hospitalized veterans in their rounds of visitations, how your heart would

glow. These expressions of gratitude and pleasure are the Master's wages which make their labors worth while.

I said that North Carolina is particularly proud of the fact that we now have a Field Agent operating in every veteran's hospital in the State and we want to recognize them at this particular time. First of all I want to present to you the Chief Field Agent of Masonic Services, whose office is the Masonic Service Association Headquarters in Silver Springs, Maryland, Brother Daniel P. Knode, Jr. Brother Knode is with us today and I want to present him to you at this time. In addition to Brother Knode, I want the following Field Agents to come forward: Brother Jack T. Dossett of Durham; also two from the Fayetteville area who visit the Veteran's Hospital in Camp Lejeune and also in Fayetteville, the Veteran's Hospital and the Womack Army Hospital in Fort Bragg, Brother L. A. Faucette and Brother William E. Whitman; both of these brethren are from Fayetteville. In addition to them, we have from the Veteran's Hospital in Oteen, Brother Paul C. Sherwood. Next we have representing the Masonic Visitation Program in Salisbury, Brother Wiley G. Morgan of the city of Salisbury.

Finally, brethren, your MSA representative recommends an appropriation of the usual amount for our dues in the association as approved by the 1974 meeting of the Masonic Service Association. In addition to this, we recommend an appropriation of \$6,000.00 for the MSA for the hospital visitation program and the allocation of an additional \$750.00 for supplies for our North Carolina Field Agents.

Respectfully submitted,

ROBERT L. PUGH, *Representative*

REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON NATIONAL MEMORIAL ASSOCIATION

(Docket No. 16)

The following report was read and entered on the record. The recommendation that the Grand Lodge continue its membership was adopted, and the matter of finances was referred to the Committee on Finance.

To the Most Worshipful Grand Lodge of North Carolina:

The sixty-fifth annual convention of the George Washington National Masonic Memorial Association met on Shooters Hill in Alexandria, Virginia on Monday morning, February 27, 1975 with the president, Most Worshipful Brother Raymond C. Ellis, P.G.M. of New York and president of the Memorial Association presiding. After the invocation by the Grand Master of Arizona the brethren received a hardy welcome from the Grand Master of Virginia; this time the Grand Master was Most Worshipful Brother Seymour J. Levy who had only two or three weeks prior to this been installed as Grand Master of Masons in the Commonwealth of Virginia.

The response to this address of welcome was given by the Most Worshipful Grand Master of the Grand Lodge of Massachusetts,

Stanley Maxwell. A welcome was also extended by the Worshipful Master of the Alexandria-Washington Lodge No. 2, Worshipful Don M. Roby. Following this Most Worshipful Brother John H. Hessey, past-president of the association, introduced the distinguished visitors.

The customary committees were appointed, providing for a visit to the tomb of George Washington and the placing of a wreath thereon and also the appointment of a committee to make nominations for the ensuing year.

Following this President Ellis gave his annual report. He prefaced his report by announcing that the President of the United States, Brother Gerald R. Ford would arrive at the Memorial at about 11:15 a.m. and he thereupon gave us instructions on how the President would be received and what we can do and should do to facilitate his reception and his departure.

President Ellis then went on to state that the one big major objective remaining for the association is the establishment of the memorial foundation on a sound financial basis. Our memorial today stands virtually completed as a testimony to the love and devotion that Masons throughout the country have for the first president of the United States. Incidentally, the memorial houses a museum containing numerous mementos of George Washington and it is located on the fourth floor of the memorial. This memorial museum is made possible through the generosity of both of the Scottish Rite Supreme Councils in this country.

President Ellis stated that our endowment fund now amounts to \$2,250,000.00 but this needs to be increased tremendously. He stated also that our operation expenses are still running \$50,000.00 short. To increase both of these funds the following plan was adopted:

Ten thousand honorary life memberships valued at \$100.00 each be made available to the various Grand Lodges during the next two years. It is hoped that the brethren throughout the country will make a special effort to solicit the life memberships. Quotas will be established for each Grand Lodge to use as motivation. This plan would also include a thousand or more life memberships valued at \$1,000.00 each. These were suggested as possible gifts from the Grand Lodges from individuals who are to make such a contribution. After these quotas are assigned to the Grand Lodges it is hoped that each Grand Lodge will thereupon appoint a committee to solicit these honorary life memberships.

It is devoutly hoped that Masons everywhere will rally around the challenge involved in this great memorial and they will use every effort to secure sufficient memberships to place the financial structure of the memorial on a sound self-perpetuating basis. These life memberships were suggested not only as ideal objectives for the Grand Lodges themselves but also for the auxiliary bodies as well, also for individual lodges, for Masonic districts, for individual Masons, and as memorials to relatives of deceased brethren.

Most Worshipful Brother Marvin W. Fowler, Executive Secretary of the association, then made his report. Brother Fowler talked about the increased cost of the operation; he also mentioned that the number of visitors continues to increase and that practically all

of these always make complimentary comments on the memorial. He reminded them also of a new exhibit which is now being dedicated in the memorial on the Vision of Constantine which was installed and dedicated by the Red Cross of Constantine. The business of the memorial association was then completed and the brethren were then informed that in a few moments the President of the United States would make his appearance. Quite naturally, everyone was eagerly anticipating the arrival of Brother Ford and ere long, he was appropriately led to the stage where he was extended a hardy welcome by the president of the association, a welcome that expressed in a beautiful manner the sentiments of the brethren in being favored with the President's visit. The main purpose of the President's visit was to unveil a large beautiful medallion which had been prepared by the United States mint in Philadelphia showing Brother Ford as the fourteenth Masonic president of the United States. A similar plaque had been unveiled for each of the other thirteen presidents, but on this occasion the President himself removed the cloth from the stand and a beautiful plaque was revealed. Brother Ford then proceeded to deliver one of the most beautiful Masonic addresses to the brethren that anyone could possibly desire. It was an address that was replete with Masonic philosophy all the way through and quite naturally the President received a long standing ovation when the address had been completed. When the address had been completed, he then made his exit from the memorial, but he had given the brethren assembled one of the greatest thrills they had ever been pleased to receive.

The need for additional funds for the operation of the memorial continues to increase and the Grand Lodge of North Carolina feels that it is a continuing obligation on its part to continue its annual contribution to the association of \$1,000.00 and your representative herewith makes his recommendation.

Respectfully submitted,

ROBERT L. PUGH, *Representative*

REPORT OF THE GRAND LODGE '76 COMMITTEE

(Docket No 17)

The following report was read, received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The Grand Lodge '76 Committee has met several times during the past year, endeavoring to bring all plans for the celebration of the signing of the Declaration of Independence to their fullest degree of preparation. Time is now rapidly running out and in just a few short months organizations, agencies, and institutions of every description in North Carolina will be engrossed in one type of celebration or another. The type and kind of celebration may vary but the central theme for all will remain the same: gratitude to the Great Architect of the Universe for these two hundred years of growth and prosperity as a united nation.

Masonry is now confronted with its finest hour, the hour of its greatest opportunity. It now remains to be seen how well the lodges in North Carolina will utilize this opportunity to its fullest and

thus, present an image of Masonry to the people of North Carolina that will deepen their appreciation not only for what Masonry did in the past when its members played such important roles in the founding and early history of our governmental structure, but also, and even more importantly, what it is doing now and what it plans to do in the future.

Every lodge in North Carolina can do something! Possibly there are some lodges who will not be able to stage celebrations on such a grand scale, but even so, they can, and should, do something. All lodges are going to be watched and they will be judged by the non-Masonic public on the basis of what they do, or fail to do. Other lodges are making more elaborate plans. Some lodges in cities are uniting in their plans; so also are lodges in a district staging a district-wide celebration.

There is no excuse for any lodge in North Carolina to fail to do something! Please, please, while time and opportunity are still on our side, plan to have at least one program during the year on the '76 theme. And let those lodges with more elaborate plans continue their preparations and then, move into the '76 celebrations with all the enthusiasm possible. Let's make this Masonry's greatest year in North Carolina!

It may be a help to some lodges — maybe all — if your Grand Lodge '76 Committee would herewith list all those plans and activities that have been approved for use thus far. Maybe this will be the opportunity you have been seeking to get the chairman of your lodge '76 Committee to review his plans in the light of these suggestions and to hold him responsible for activities to this end.

The District Deputy Grand Master is reminded that the Grand Master is looking to him as the responsible agent for '76 celebrations in his district and he is to use the District Education Chairman as his officer for the execution of the celebrations.

First, then, let us officially proclaim the year 1976 as the Bicentennial Year of the United States through appropriate resolution by the Grand Lodge of North Carolina and then let us set forth the many recommendations for its implementation, dividing them into two levels: first, those to be activated on the Grand Lodge level and secondly, those to be activated on the local lodge level.

A RESOLUTION (FOR THE GRAND LODGE)

Whereas, The great vision of our Founding Fathers has enabled the United States of America to survive in freedom and prosper in abundance, in 1976 we will celebrate our 200th Anniversary; and

Whereas, our Founding Fathers gave us a system of government which guaranteed individual freedom — that magic ingredient which has unleashed the ingenuity and resourcefulness of our people; and

Whereas, the ancestors of Ancient Free and Accepted Masons were here at the birth of the United States,

Now, Therefore, be it resolved that the North Carolina Grand Lodge of Ancient Free and Accepted Masons do hereby proclaim this

year 1976 as United States Bicentennial Year and urge all lodges to plan suitable celebrations in their communities commemorating the Bicentennial of the United States, the events leading thereunto, and emphasizing the part played by Masons in achieving that freedom.

ACTIVITIES ON THE GRAND LODGE LEVEL

1. Publication of a History of Masonry in North Carolina. Dr. Thomas C. Parramore, Chairman, Department of History, Meredith College was employed to write a history of the beginning period of Masonry in North Carolina. This volume is now about complete and should be released from the publisher in a few months. It is an excellent history of our beginnings through the year 1800 and is entitled: "Launching the Craft: The First Half-Century of Freemasonry in North Carolina". "The North Carolina Mason" will carry a notice of its availability. We will leave to another generation the task of completing the recorded story of our Craft.

2. Grand Lodge Meetings in three cities included in our non-Masonic celebrations.

A. New Bern: "First Provincial Congress", August 19, 1974.

B. Charlotte: "Mecklenburg Declaration of Independence", May 19-20, 1975.

C. Halifax: "Halifax Resolves", April 12, 1976.

These meetings are designed to show Masonic appreciation of all efforts to preserve our rich heritage from a noble past.

3. "The Masonic Trail". Beginning early in 1976, the Grand Lodge will convene in each of those communities where a lodge was in existence before or during the year 1787-88. They are as follows:

A. St. John's Lodge No. 1 — Wilmington

B. Royal White Hart No. 2 — Halifax

C. St. John's No. 3 — New Bern

D. St. John's No. 4 — Kinston

E. Royal Edwin Lodge No. 5 — Windsor

F. Unanimity Lodge No. 7 — Edenton

G. Phoenix Lodge No. 8 — Fayetteville

H. Old Cone No. 9 — Salisbury, succeeded by Fulton Lodge No. 99

I. Johnston-Caswell No. 10 — Warrenton

We recommend that the '76 Committee plan the entire program for each community on the Trail, prepare the Order of Service, select the speaker and all other details.

Calendar dates will be announced in "The North Carolina Mason".

4. Change the design of letterhead stationery, dues cards, postage meters, etc. to conform to the '76 theme.

5. Preparation of a Masonic exhibit to be placed in the Masonic Temple in Philadelphia for display in 1976. Each of the original colonies will have such an exhibit there. The Conference of Grand Masters of North America will be held in Philadelphia February 14-19, 1976 with headquarters in the Ben Franklin Hotel. Hundreds of thousands of visitors will be there for a tremendous celebration and we expect this exhibit to be a worthy one.

6. A Founders Day Celebration to be held in Tarboro in 1976 with the unveiling of a suitable marker commemorating the founding there of the Grand Lodge of North Carolina. We want this to be a tremendous celebration involving the entire Masonic Family of organizations, a day of maximum emphasis for a great Masonic display. Tarboro is ready for us. We want this to be the greatest day of our celebration for the year, with a colorful celebration that will consume a good part of the day. For this purpose we recommend that the '76 Committee be responsible for planning the entire program, the type of program to be presented, the selection of a well-known speaker, and all other details as well.

7. Commemorative coins have been prepared. The silver coins have already been released. The bronze coins are now to be released in the following manner:

One coin to be presented to each official lodge representative, or to his proxy for presentation to the appropriate officer in 1975.

One to each District Deputy Grand Master.

One to each District Deputy Grand Lecturer.

One to each District Education Chairman.

One to each Grand Lodge officer and Past Grand Master.

All surplus coins will then be offered for sale at one dollar each. They are available now in this building on a "first come, first serve" basis.

8. The Grand Lodge hopes to have available a series of appropriate programs to be used by each of the lodges. These programs will include the entire "Order of Service" and it is hoped that we can be able to distribute them through the Educational Conferences, or other means.

9. The preparation, and distribution to the lodges of a series of Bicentennial lodge programs, complete with an Order of Service included.

10. A final indoctrination of all DGM's and DEC's in the Bicentennial observances (by means of regional or area conferences).

ON THE LOCAL LEVEL

1. Change the format of stationery, envelopes, postage meters, etc. to conform to the '76 theme.

2. Let each lodge fly an American Flag, in front of, on top of, or near each lodge and fly it as often as possible.

A. A Masonic flag is being prepared and the details of its availability will be provided in the columns of "The North Carolina Mason".

3. Have a "Clean-up, Paint-up, Freshen-up" campaign. Make all premises clean, attractive and appealing, inside and out.

4. Do not lose sight of July 4, 1976 as a great day for a celebration. Make your plans now. See Grand Lodge plans above for this day.

5. Short-Talk Bulletins from the Masonic Service Association. Some Bulletins have already been prepared for lodge programs on the '76 theme. These have already been mailed to your lodge and are

indicated by the symbol on the cover of a circle, enclosing the equilateral triangle in the center of which is printed "'76 Celebration". Already you have received Bulletins on the following signers of the Declaration who were Masons: Benjamin Franklin, William Whipple, John Hancock, Robert Treat Paine, Joseph Hewes and George Walton. Sketch on William Hooper will be issued soon. The February 1974 Bulletin was a sketch of the historical events which led to the signing of "The Inevitable Declaration".

These Bulletins are invaluable for Bicentennial presentation in your lodge and we should plan to make good use of them. They will stimulate pride and boost attendance.

6. Other subjects and programs for lodge use, different from the Short-Talk Bulletins. These are being prepared — we hope to have at least eight or ten available — and they will each comprise a complete order of service for your use. Use them monthly as you can plan them in your celebrations.

7. Perhaps your lodge can make a pilgrimage to Philadelphia in 1976. If so, don't fail to visit the majestic Masonic Temple on Broad Street.

8. Pilgrimages elsewhere can also be of extreme interest in 1976. Many lodges are making fantastic plans now.

9. Have you determined whether any Masonic Revolutionary soldiers' graves are located in your area? If so, be sure to have a special marker prepared for them and use a special memorial service for this purpose. Contact your State '76 Masonic Committee for a copy of such services.

10. Clean up and re-furbish the historic graves in your community, if practical to do so.

11. Sponsor patriotic essays and/or speaking contests in your schools.

12. Determine which lodges and schools are in need of copies of America's famous documents and obtain them for presentation. Frame them where possible to do and plan a formal presentation.

13. Keep a photographic record and scrapbook of your activities.

14. If local proclamations are needed, be sure to provide them. Available from Grand Secretary's Office.

15. Be sure to establish liaison with your city and county Bicentennial Commission and have interchange of ideas.

16. Prepare Bicentennial Certificates to present to worthy persons of your lodge, or of your community in recognition of outstanding service in the celebration, or otherwise.

17. A Masonic museum should be prepared where Masonic relics are available and publicity given to its existence.

18. Offer prizes to public school grades for colonial exhibits displayed in appropriate places.

19. Be sure to investigate the possibilities of uniting with any other lodge, or lodges in your community for a joint celebration. Consult your DDGM and DEC for possibilities on the district level also.

IN GENERAL

(Special instructions that should be carefully and faithfully observed)

1. We repeat: every lodge in North Carolina can do, and should do, something. By all means let no lodge in North Carolina be found guilty of doing nothing.

2. DDGM's attention! The Grand Master is looking to you to see that each lodge in your district participates in the '76 celebration. He will expect a report from you.

3. DEC's attention! The DDGM will use you as the planning and executive officer of these celebrations. Work with him and help make your district the best.

4. The DDGM's and the DEC's will review all suggestions made in this report both on the Grand Lodge level as well as on the subordinate level. Meet with the Master and the '76 Committee from each lodge and agree on the programs to be presented.

5. The ultimate success of the '76 celebrations in North Carolina will depend on how well the job is done on the local lodge level. The Grand Lodge will do its part, but, in general the responsibility of improving the image of Masonry in your community will be your task locally. Using the local initiative that you have in abundance should produce Masonic celebrations in North Carolina that will cause all of us to lift our voices in praise.

6. In communities where there is more than one lodge, there could be instances where the lodges could function jointly in preparation of certain programs. There are occasions when this united action would be highly recommended.

7. What is said in No. 6 above also applies to the District level. A united Masonic District program could offer an excellent challenge and conceivably could be a thrilling experience.

8. Let us leave no stone unturned to make the Bicentennial Masonic Celebrations in North Carolina fully worthy of our glorious heritage.

9. Finally, we recommend to the Grand Lodge Committee on Education that for a lodge to be eligible for the Grand Master's Award during 1976, at least one of the Programs for that year must be on the 1976 observance.

Respectfully submitted,

**REPORT OF THE
COMMITTEE ON MASONIC CEREMONIES**

(Docket No. 18)

The following report of the Committee on Masonic Ceremonies was presented and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

It has been several years since our current volume of Masonic Ceremonies was approved for use by the Grand Lodge and also by the subordinate lodges. Constant usage during those years has made it apparent that there are now a good many changes and revisions that should be made in the ceremonies for further use. It has now also been suggested that there are one or two additional ceremonies that should be included in a new publication. For that reason and for this purpose it is recommended that the Grand Lodge of North Carolina hereby approve a thorough study and revision of all of the ceremonies used by the Grand Lodge and/or the subordinate lodge in North Carolina. It is also recommended that any additional ceremonies that the committee may deem advisable for inclusion in the new publication shall be prepared by the committee.

It is anticipated that the recommended corrections and revisions shall be prepared during the coming year and the report filed with the next annual communication of the Grand Lodge for publication during the following year.

**REPORT OF THE
COMMITTEE ON MASONIC EDUCATION**

(Docket No. 23)

The report of the Committee on Masonic Education was received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The end of 1974 concluded five years of a diversity of effort at the promotion of a Grand Lodge System of Masonic Education under the structure of a Grand Lodge Committee on Masonic Education and with an Education Chairman in each Masonic District. The Grand Lodge Committee was chaired first by Brother Robert L. Pugh (P.G.M.), then by Brother Troy Robbins, and finally by Brother Boyd Hopkins.

One hundred and eight-three lodges received the Grand Master's Award the first year 1970. Of that number seventy-four lodges continued to receive the award each year for five consecutive years. At the 1975 Grand Lodge Annual Communication they will be presented the Grand Master's Fifth Year Award, an attractive metal-on-wood plaque, nine-by-eleven inches in size. Each year, as the Brethren became more knowledgeable of the education program, the requirements for the Grand Master's Award have been more strictly adhered to; thus increasing the meritorious value of the award. Hearty congratulations from the Grand Lodge Committee to the seventy-four lodges for their achievement.

During the calendar year 1974 fifty-nine of sixty-five districts conducted some kind of Masonic education workshop. The vast majority of districts used the materials recommended by the Grand Lodge Committee. Twenty districts conducted two workshops.

A total of two hundred and twenty-two lodges filed a report form for the 1974 Grand Master's Award. Of that number two hundred and five were approved. This is fifty-three percent of the lodges in North Carolina, which reveals something of the challenge for the Grand Lodge Committee on Masonic Education, the District Education Chairmen, and the lodge Masters.

Three Area Education Workshops were conducted in September, 1974, making a total of six workshops for the calendar year. These were conducted in Asheville, Asheville, and Greenville. The September workshops were conducted by a Grand Lodge Team, similar to the recommended District Team, consisting of a group leader for each group of lodge officers, Stewards through Senior Wardens. The area workshops were explicit examples for the DEC and his District Team in conducting their own local workshops.

Introduced at the September workshops was a series of Masonic programs designed for small group interaction entitled "A Masonic Lifestyle." These programs are for use in the lodges at their Stated Communications. The content of the programs lean toward inspiration and motivation, to move the basic Masonic truths from theory to practice, from the thinking level to the feeling level, from thought to experience. Since the programs were written in series with progressive application in mind, it is recommended that they be so used, session one through session five. Where the programs have been seriously conducted, there has been high praise from the Brethren.

The Grand Lodge Committee is continually seeking ways to raise the level of quality in the Masonic Education program. The report forms for the Grand Master's Award reveal a dire need for the Lodge Committee on Masonic Education to plan well in advance a diversity of six programs for the year. Perhaps the greatest need of the Orientation Committee is to insist that the Master schedule time before and during the degree work to allow the Orientation Committee opportunity to meet with the candidate. In fact, the degree work should not proceed until the Master is assured that the Orientation work has been done.

The Grand Lodge Committee on Masonic Education expresses its sincere appreciation to the Grand Lodge Team, to each District Education Chairman and his District Team, to the lodge Masters and committees for their conscientious efforts at cooperation in implementing the Grand Lodge Program of Masonic Education.

Respectfully submitted,

BOYD HOPKINS, *Chairman*

**REPORT OF THE BOARD OF DIRECTORS
 OF THE OXFORD ORPHANAGE
 FOR THE FISCAL YEAR 1973-74**

(Docket No. 25)

The report of the Board of Directors of Oxford Orphanage was received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The fiscal year October 1, 1973, to September 30, 1974, was somewhat difficult and toilsome for the Board of Directors.

Brother A. D. Leon Gray retired as Superintendent as of the 30th day of September, 1973, but by resolution adopted by the Board of Directors at a special meeting in Greensboro on August 10, 1973, he was relieved of all duties and responsibilities as of the 15th day of August.

The retirement of Brother Eli T. Regan on May 30, 1971, the retirement of Brother A. D. Leon Gray on August 15, 1973, and the retirement of Brother M. E. Parham on the 1st day of July, 1974, ended a fruitful and productive era at the Orphanage under the guidance of these able brethren, which brought to light the fact that many duties and responsibilities which normally rest upon the shoulders of the Board of Directors had been relinquished to these brethren and that the Board had for a number of years been performing in more or less a perfunctory way and manner. The Board, therefore, decided at the meeting held in Greensboro on the 10th day of August, 1973, that there must be a reorganization of the administrative staff and a determination of the duties and responsibilities which were to be delegated to the various agents, servants and employees of the Orphanage and an enunciation of titles and job descriptions for the various members of the staff.

At this meeting, Brother Henry F. Flowers was elected acting Administrator of the Oxford Orphanage during the

reorganizational period and until an administrative head could be selected.

There was a committee at this time seeking a man to recommend to the Board with the desired qualifications to serve as administrative head.

The Board next met at its regular meeting on October 20, 1973, but the committee still had no recommendation for an administrative officer at the Orphanage. This was a routine meeting at which nothing of significance happened except that the Board approved a recommendation of Brother Flowers for additional campus lighting.

The Board met next in regular session on February 2, 1974, with still no recommendation for an administrator. A change in the corporate charter and the tax status of the Orphanage was considered at length and approved at this meeting, which changes were ratified by amendment of THE CODE of the Grand Lodge at its Annual Communication in 1974. At this meeting the President of the corporation was directed to send a letter to the Granville County Board of Education, asking the Granville County Board of Education to give attention to the matter of removing the educational process of the public school system of Granville County from the campus of the Oxford Orphanage as soon as reasonably possible, and to advise the Board of its plans and intentions as soon as possible.

Plans were presented to the Board at this meeting for a new infirmary at a projected cost increase of \$300,000.00. The Board directed Brother Flowers and Brother Parham to meet with the architect and reconsider the plan to reduce the cost, for the proposed structure was too large to justify the projected needs of an infirmary at the Orphanage.

On March 30, 1974, a special meeting of the Board of Directors of the Oxford Orphanage was called at the request of Brother Flowers, who informed the Board that Brother Grady H. Whicker, Dean of Students at the Orphanage, had submitted his resignation. The Board, however, agreed that the first order of business was the selection of an administrator who should have a hand in selecting the members of his staff.

After the Grand Lodge meeting in April, 1974, the new Board of Directors was organized into three committees,

one designated as the Buildings, Grounds and Equipment Committee, one for Admission Policies, Vocational Training and Recreation, and one for Administrative Procedures and Policies.

At this meeting, the special committee recommended to the Board the employment of Mr. John E. Ferguson as administrator, notice of which was mailed to all Masters, Wardens and brethren of subordinate lodges by notice dated May 14, 1974. Because of commitments to the Granville County School Board, it was agreed that the administrator would assume his duties on July 1, 1974. In the meantime, it was suggested that he familiarize himself with the facilities, acquaint himself with the personnel, their duties and assignments, familiarize himself with existing policies (customs, practices and procedures), the charter and by-laws of the corporation and the Masonic Code insofar as it related to the Orphanage to determine what key administrative officials may be needed and what authority, duties and responsibilities should be granted or assigned to each, prepare job descriptions for the employees in order to eliminate overlapping duties and to designate responsibilities, accumulate data for the development of a policy manual for employees and develop plans for presentation to the Board of Directors for the spiritual guidance and training of the children, supplying of their emotional needs, establishing the educational processes and procedures to be followed, including vocational training, physical development and athletic program for the children, and such other programs as may be appropriate for and in the best interest of the children under our care.

During this period, the Board of Directors discovered many deficiencies in both the buildings and grounds which had theretofore gone unnoticed.

On the 4th day of June, 1974, at Wilmington, North Carolina, Brother Henry F. Flowers tendered his resignation effective immediately, and requested that he be given thirty days leave within which to relocate, which request was granted.

By the time the Board met for its next regular meeting on Saturday, July 20, the Buildings and Grounds Committee had met twice and made recommendations to the Board which were adopted, including the following:

1. To undertake a general clean-up program of the entire campus, painting and making minor repairs which had been theretofore neglected.

2. To abandon plans to build the proposed new infirmary and develop plans to alter the second floor of the St. John's Building in order to accommodate an infirmary. This project is expected to be completed in January or February, 1975, and will adequately provide the infirmary needs of our children at a vast savings under what a separate infirmary would cost to construct and operate.

3. To dispose of certain abandoned items in rooms and basements throughout the buildings on the campus of salvage value but which were of no use to the Orphanage.

4. To raze the old infirmary building and restore the landscape.

5. To take necessary steps to meet government regulations regarding the boilers, steam distribution system, and electrical system on the campus.

6. To renovate the kitchen in the old Dunn Building for use as a kindergarten, and renovate Cottage 4-G.

The Board also considered at this meeting the request of the Granville County School Board to acquire approximately a 40-acre tract of land for an elementary school on the old Gracie Critcher property. The Board was of the opinion that it should cooperate with the Granville County School Board, realizing that the Orphanage property is not subject to taxation and that the education of our children does in fact create an additional tax burden for the residents of Granville County. It was the Board's desire to get the public school system off the campus, but the Board still hoped that it would be located in reasonable proximity to the campus; therefore, the property which is valued at \$55,000.00 was offered to the School Board for the sum of \$25,000.00 on condition that the Orphanage be given public recognition of its contribution. This offer was graciously accepted by the Granville County School Board and much favorable publicity concerning the amicable relationship between the Granville County School Board and the Orphanage was derived therefrom, including an editorial which appeared in the "Oxford Public Ledger," which reads:

"AN ENDEARING ACTION

"Locating an acceptable school site in a developed area is seldom an easy task, and locating an available site in such an area is a rarity.

"Yet, through perseverance and good fortune, the Granville Board of Education has 'nailed down' three such sites as preparation advances for construction of three schools — at Creedmoor, Butner and Oxford. Almost without exception, property comes at relatively high prices when it is needed for public use.

"The Creedmoor site was taken care of in earlier purchase of property for school use. The Butner site, state-owned, has been transferred without cost, a fair and reasonable action when all circumstances are considered.

"Directors of Oxford Orphanage have acted not only in good faith, but also in financial sacrifice in making a tract of the institution's land available for a new elementary school on the northwest side of the city.

"Orphanages, as a class, are not laden with wealth, but as they draw from supporting people, agencies and institutions, they have a keen sense of appreciation for a sacrificial spirit.

"The willingness of Oxford Orphanage Directors to sell a school site at a reasonable cost and to include in the purchase a sizeable token gift is a spirit that will long be remembered and further endear the institution to Oxford and Granville County."

The Board also at this meeting authorized the employment of a kindergarten teacher and the acquisition of suitable equipment and teaching aids to operate a kindergarten day school.

It also authorized, upon recommendation of the Training Committee, that the basement of the gymnasium be utilized for student union purposes. In the meantime, upon recommendation of the Administrative Committee, Mr. W. David Ford was employed as Budget Officer and Accountant, David M. Hughes—Recreational Director, Frank Albert Capps—Dean of the Campus and Reverend James William Quarles—Chaplain. All have proven able, capable and efficient in their respective positions.

The fiscal year ended with morale and activity on campus at perhaps its highest peak in a number of years.

The Masonic Blue Lodges of North Carolina have continued their steadfast support to the Orphanage, without which support the institution could not survive. The Board would be derelict in its duties, however, if it did not remind both the Grand Lodge and the subordinate lodges that in-

flation demands that we continue to stress the financial needs and intensify our efforts, lest those who cannot provide for themselves be neglected.

REPORT OF THE SPECIAL COMMITTEE ON THE GRAND LODGE LIBRARY

(Docket No. 26)

The following report of the Special Committee on the Grand Lodge Library was received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

Your Special Committee on Grand Lodge Library begs to report as follows:

This Committee was set up three years ago by the Grand Lodge for the following reasons:

First, there was accentuated activity in the Grand Lodge with respect to Masonic Education. This subject had been talked about and there had been programs of Masonic Education in Grand Lodge circles for thirty years or more, but the time had come when the Grand Lodge organized the activity with a Grand Lodge Masonic Education plan well-organized and manned, prepared some very good literature on the subject, and set up District Masonic Education Committees in districts mapped out for the purpose of aggressively promoting the cause. This was a very worthy cause, serving a purpose which recognized an admitted need, and found local Lodge Committee members searching around for materials beyond the Grand Lodge mimeographed circulars. The execution of the plan was in some places good and in others not entirely effective, but in all cases searching for more material.

The question in almost every district was foremost — With what material is the program to be advanced beyond suggestions in the mimeographed circular? That material, when placed in the hands of committees, might deal with Masonic history — particularly rele-

vant in the present Bicentennial year; it might deal with the meaning of the several subjects and categories which are a part of the deeper phases of Freemasonry; it might attempt to answer the question, What is the Masonic system, anyway? It might deal with Anti-Masonic activities which have appeared from time to time; it might attempt to tell how Masonry is found in many of the diverse countries of the world; it might attempt to tell, Why is this or that found in the Masonic ritual and it is forbidden that any part thereof shall be changed. Another fruitful subject would be, Why have certain religious groups opposed Masonry or even discouraged their members having a part therein or forbidden such membership? Then there are many distinguished Masons an account of whose lives would be fruitful subjects for Masonic educational work. Or even a survey of where and what Masonry is throughout the world would be both interesting and enlightening. Literally hundreds of fruitful subjects are before one interested in Masonic education, if he only knows where to go to learn. Still another subject would be, What differences are found in the Masonic systems of the several states of this country?

Your Committee has looked around and has come to see that there is a store of good literature available to help a student answer all of those questions and many more. Your Committee has discovered that much of this sort of books and pamphlets could be had for the asking, to be made a part of the Grand Lodge Library of Reference material if only the Grand Lodge exhibits a desire to acquire it and provides a manner in which it can be made readily available to Masonic students and speakers; but definitely not available if only to be acquired and stored in a storage place gathering dust and unused.

Your Committee is definitely interested in this kind of Grand Lodge Library material. Your Committee is interested in seeing that such material is made available and that provision shall be made that it shall be brought to the attention of many North Carolina Masons to be used by them and many others to the advancement of Masonry in North Carolina. Your Committee has made quite definite headway in such a project and hopes to produce tangible results in the not too distant future.

Respectfully submitted,

J. EDWARD ALLEN, *Chairman*

REPORT OF THE BOARD OF DIRECTORS OF THE NORTH CAROLINA MASONIC FOUNDATION, INC.

(Docket No. 27)

The following report of the Board of Directors of the North Carolina Masonic Foundation, Inc. was received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The Board of Directors of the North Carolina Masonic Foundation, Inc., respectfully presents the following balance sheets, reports

PROCEEDINGS OF THE

of assets and liabilities, and report of income and disbursements of the Permanent Fund, the B. F. Moore Legacy, and the Taylor Grant Fund, for each of which the Foundation is the Custodian, and which constitutes its entire business for the calendar year ending December 31, 1974, as reported by the First-Citizens Bank & Trust Company, of Raleigh, Trustee for the Foundation.

The annual meeting of the Board of Directors was held on March 14, 1975, at which time the Board approved the report of the President, which he presented at that meeting, and authorized Brother Johnston to explore and investigate the possibility of making a change in the Trustee for the Foundation and to report back to the Board at a later meeting. All five of the following Directors were present at this meeting: James G. Johnston, President; Sam A. Hennis, Jr., Vice President; Harvey W. Smith, Director; Alfred A. Kafer, Jr., Director; and Charles A. Harris, Secretary-Treasurer.

The annual election of Officers of the Foundation resulted in the re-election of Brother James G. Johnston, President; Brother Sam A. Hennis, Jr., Vice President; and Charles A. Harris, Secretary and Treasurer. Brothers Johnston, Hennis and Kafer were re-elected members of the Investment Committee.

Respectfully submitted,

ADDRESS OF THE GRAND ORATOR

(Docket No. 29)

The Grand Master recognized and presented W. Brother A. W. Thomas, Jr., Grand Orator of the Grand Lodge of North Carolina, who delivered the following oration:

To the Most Worshipful Grand Lodge of North Carolina:

Most Worshipful Grand Master, and Brethren, as I look at the list of those who have preceded me in this honorable and proud position of Grand Orator I bow in humility and stand in awe. The honor is far above the ability that I have to express what should be said at a time such as this. And yet, fully realizing that this responsibility is mine here and now and that I in the next few minutes should in my own way relate to Brother Masons herein gathered something that both they and I could be proud of, as it is recorded here and read by those who might in the future so desire, I will attempt to — in my own way — as others have done before, express a few personal opinions of my views as a Freemason. Let me assure all of you that the sincerity of my purpose in being here will far outweigh my ability to relate my real feelings, but with prayerful guidance, deep humility and a sincere appreciation of your attention to my words attempt to portray, as others have done before me, the fulfillment of the Grand Orator's address.

Sometime last year, a guest minister in my church in Concord challenged the congregation through a very thought-provoking sermon entitled "What Time Is It?" It was of particular interest to me for he used as his scripture, a passage which has become my favorite and most often read. That passage is from Ecclesiastes, Chapter 3, and with his permission, which I have received, and with due notice to you that I am not in any sense preaching, but merely making some observations as a fellow Mason, I would also like to speak to you this afternoon on the subject of "What Time Is It?" — I hope my message will stimulate in you some of the same reactions that this

Methodist minister stimulated in my mind as he related his message to me. With that thought in mind, let me propose that for the next few minutes each of us reflect on the question "What Time Is It?" I am not speaking in terms of the simplicity of timed events, such as some two weeks ago when I faced the reality that it was *time* to make this annual oration, and that procrastinator that I am, I had felt that I would get around to that tomorrow, and then suddenly tomorrow was here, and the *time* was now. Yes, this is one way of looking at time; or, for all of us here gathered at this meeting of the Grand Lodge, here in Raleigh, we realize that it is *time* for the 188th Annual Communication of the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, and we have planned our lives accordingly to be at this place at this appointed *time*.

Our lives today are centered around the allocation of time, the question of "What Time Is It?" is asked almost hourly as we go about our daily activities. The simplicity of the question is almost lost in our habitual pattern of living. The clock says 'time to get up', the wife says 'time for breakfast', the children say 'its time for school', the job demands 'its time to go to work', social and civic activity say its time for lunch or dinner at Rotary or Lions, or Kiwanis, or Boys Club, or Salvation Army, and I could go on and on with these examples. Even as Masons, we reach a habitual existence in reminding ourselves that it is time for lodge meeting or time for other scheduled activities within the order. And yes, as Sunday approaches, our ever so faithful spiritual needs become habit forming with the words 'its time for church'.

Need I go further to illustrate that our daily lives are geared to the question of "What Time Is It?" But fellow Masons I am sure you realize that this is not the question I am asking you today; simply, what time is it in our daily schedule of habitual activities. My question is what time is it for you and I in our search for a place in eternity. The passage of scripture I referred to deals with this question of time. It is a passage that I feel relates to my life as an individual living under the precepts of Freemasonry, and I am sure relates to every Mason in this room today, for being truly honest with ourselves we must know that our short span on this earth is merely a preparation for our eventual place in eternity.

The Bible passage that I am referring to that deals with this thought of time is: Ecclesiastes, Chapter 3, verses 1 through 15. And I quote: "For everything there is a season and a time for every purpose under the heaven; a time to be born, and a time to die; a time to plant, and a time to pluck up what is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance; a time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; a time to seek, and a time to lose; a time to keep, and a time to cast away; a time to rend, and a time to sew; a time to keep silence, and a time to speak; a time to love, and a time to hate; a time for war, and a time for peace. What gain has the worker from his toil? I have seen the business that God has given to the sons of men to be busy with. He has made everything beautiful in its time; also he has

put eternity into man's mind, yet so that he cannot find out what God has done from the beginning to the end. I know that there is nothing better for them than to be happy and enjoy themselves as long as they live; also that it is God's gift to man that every one should eat and drink and take pleasure in all his toil. I know that whatever God does endures forever; nothing can be added to it, nor anything taken from it; God has made it so, in order that men should fear before Him."

"Pilgrims Progress" written by John Bunyan is a familiar story read and studied by many of us in years past. You will recall that the hero, named Christian, sets out from the City of Destruction and the book relates his experiences as he travels to seek the Celestial City. In it Bunyan writes, "If you are concerned with how to be, then come — let us face the kind of men we are".

The writer of the book Ecclesiastes and the words from the portion I just quoted is of great assistance to me and I hope could be to you in helping us to find out really, what kind of men we are. The writer, or the preacher, as the Bible calls him, was truly a man of all seasons. He was wise, he had insight, and explored life with an open mind. He spoke a good word for pleasure, but also reminded us the necessity for discipline. He had definite ideas of right and wrong, and so should we, tempering our judgements with a true Christian spirit. He looked with sympathy and understanding upon mankind and the human situation, remembering at all times that human frailty is a matter that the sincere Christian and practicing Mason deals with in a forgiving manner. Within his heart and soul there *is*, and *always* must be an over-riding sense of God, a God consciousness if you will. If, as the writer proclaims in this portion of scripture, there is a "season for everything" and a "time for every matter under the heavens", this season and this time is within the context of our existence on this earth. It is during this time, this travel as related by Christian on his trip to the Celestial City, that we as individuals and especially as Freemasons determine the kind of men we are and make our preparation for entry, not into death and oblivion, but for entry into another time in God's plan, into eternal life. Masonry has always taught us that the true search is for light, and that the search for complete illumination must be eternal. The Mason's unending search and the labor toward perfection, begins in the lodge, and continues with the initiated Mason throughout his life on earth, as his eventual preparation for eternal existence.

There is a dedicatory inscription at Rockefeller Center in New York which cites the following: "Man's ultimate destiny depends not on whether he can learn new lessons or make new discoveries and conquests, but on his acceptance of the lessons taught him close upon 2000 years ago."

We as Freemasons must continually re-dedicate ourselves to the Masonic belief, established also more than 2000 years ago, and practiced through centuries by Freemasons everywhere, seeking to *establish their time, live their seasons, and enjoy the fruits of their toil*, in a never ending search by each generation of men for eternal life.

The Masonic belief, known, and sought to be practiced by all of us in Freemasonry is:

"There is one God, the Father of all men.

The Holy Bible is the Great Light of Masonry, and the rule and guide for faith and practice.

Man is immortal.

Character determines destiny.

Love of man is, next to love of God, man's first duty.

Prayer, communion of man with God, is helpful.

Recognizing the impossibility of confining the teaching of Masonry to any fixed forms of expression, yet acknowledging the value of authoritative statements of fundamental principles, the following is proclaimed as the Masonic teaching: Masonry teaches man to practice charity and benevolence, to protect chastity, to respect the ties of blood and friendship, to adopt the principles and revere the ordinances of religion, to assist the feeble, guide the blind, raise up the downtrodden, shelter the orphan, guard the Altar, support the government, inculcate morality, promote learning, love man, fear God, implore His mercy and hope for happiness."

And so, if we as Freemasons labor toward perfection through a sincere dedication to this Masonic belief and seek earnestly to respond to what Masonry strives to continually teach us, we will as individuals and as brothers realize more and more that to "everything there is a season", and a "time to every purpose under the heaven."

As we discover from this process what time it is in our own lives, we should begin to also ask ourselves, what time is it in America — where is the hour hand on the clock of eternity for this great country we are so proud of? All around the scene is inflation, recession, unemployment, political scandals, near impeachment of a President, the Mid-East Crisis, the fuel and energy problem, the drug involvement of our youth, soaring crime rates, the devastation and loss of lives in the distant and embattled Far East — all of these are a part of the scenario which is America today. If there is a time and season for all things just what time is it for our own great country? Where are we as a nation in the recorded time of history? Only a few days ago on April 18, we celebrated the beginning of the American Revolution of 200 years ago. Shortly after 10:30 p.m. on April 18, 1775 two lanterns appeared in the steeple of Boston's Old North Church. General Joseph Warren, Grand Master of Masons in Massachusetts sent Paul Revere, a brother Mason, who was also destined to be Grand Master of Masons in Massachusetts, on his famous ride to rouse the countryside on the eve of Lexington and Concord. At 5:00 a.m. on April 19, 1775, 700 British Regulars met 130 Minutemen on the Lexington Green, 10 miles northwest of Boston.

"Lay down your arms, you damned rebels, and disperse!" shouted British Captain John Pitcarin.

"Stand your ground!" replied Captain John Parker to his men.

"Don't fire unless fired upon. But if they mean to have war let it begin here."

And as the shots rang out the words of Emerson's famous poem relate to us that day in infamy.

"By the rude bridge that arched the flood, their Flag to April's breezes unfurled, here once the embattled farmers stood, and fired the shot heard round the world."

A time for war, a time to kill, a time to die.

Yes, this great country has seen this recorded in its proud and patriotic history. And while we pray for a time of love and peace let us never forget the Patriots whose zeal and love of country gave us this Land of Freedom. Masons such as Washington, Franklin, John Paul Jones and Paul Revere — and many thousands more men, and women, known and unknown whose love of home and country and its welfare have motivated them over the years, with the only reward that was expected, was that when they passed on, the country would be a better place because they did their duty. While peace is our goal, war has been necessary to protect and preserve that goal! This has probably never been explained any better than by President Woodrow Wilson, in his address to Congress in asking for a Declaration of War, on April 2, 1917, and I quote:

"It is a fearful thing to lead this great peaceful people into war, we shall fight for the things which we have always carried nearest our hearts — for Democracy, for the right of those who submit to authority to have a voice in their own governments, for the rights and liberties of small nations, for a universal dominion of right by such a concert of free peoples as shall bring peace and safety to all nations and make the world itself at last free. To such a task we can dedicate our lives and our fortunes, everything that we are and that we have, with the pride of those who know that the day has come when America is privileged to spend her blood and her might for the principles that gave her birth and happiness and the peace which she has treasured. God helping her, she can do no other."

The brave history of this country is written in the blood of those who have protected our freedom — never let us forget that — but let us hope that the time approaches when our sons and daughters will learn by our failures — that truly those who have died, did not die in vain, but in a dedicated effort to provide to others what in life they, themselves were seeking. During the next few months we as Freemasons will join with all Americans in the patriotic celebration of America's Bicentennial, but as we celebrate, as we remember, as we prayerfully thank God, for giving our forefathers the strength and the courage to forge a free nation such as we have here today, we should always be remindful of the words of our writer from Ecclesiastes:

"A time for war, and a time for peace, a time to kill and a time to heal, a time to mourn, and a time to dance, a time to love, and a time to hate."

This Bicentennial year will be a time of celebration for the 200 years of progress and growth of this great Nation. America will begin its third century as an independent nation. Twenty eventful decades, longer than any Democratic Republic has ever existed under its original Constitution, will have passed into history since 56 brave men, many of them Freemasons, laid their lives, their fortunes and their sacred honor on the line to sign that immortal document,

the Declaration of Independence, which we celebrate in peace and safety today.

President Ford, in announcing recently his own idea of how to best commemorate the Bicentennial stated: "What we are really doing, as we celebrate our Nation's Bicentennial is actually laying the cornerstone of America's third century. And every citizen of this great nation should have his or her name inscribed on that imaginary stone so that all who come after us can say, as we say of the 56 (signers of the Declaration of Independence) who labored for us,

"They gave of themselves. They cared."

And so we again ask the question, what time is it for America? Let us hope that in this first year of our third century the answer is "a time to laugh, a time to dance, a time to heal, a time for love, a time for peace."

During my last session in the General Assembly I was happy and proud to assist the Grand Lodge in passing legislation re-establishing certain time-honored tax exemptions to which they were rightly entitled. I prepared some brief remarks for the House Finance Committee, many of whom were not closely associated nor properly informed of the important part Masonry had played in both the history of our country and of this great state. As I have related to the Grand Master on previous occasions, I was shocked at the realization that many people in a position of leadership in this state did not accept the fact that Freemasonry was a separate and distinct organization, with a special place both in American and North Carolina governmental history, and I could not in any way group it, as I was asked to do, in legislation with other patriotic and fraternal orders, regardless of their outstanding contribution to the patriotic history of the State and Nation. I challenge you and all Masons, that we re-dedicate ourselves to the goal that we never let the people of this state, and this country, forget the important part Freemasonry has had in its history. To this end and to the end that there is a time, as I have said in my theme today, to be silent, and a time to *speak out*; I would like to relate to you part of my words before the House Finance Committee as a portion of my speech here as Grand Orator. There may be some of you in the room today who were present for this brief presentation. I was asked by a number of Masons who were present that day for a copy of my remarks and so making them a part of this speech today will put them on record and make them available to all who so desire.

It is the general opinion of the majority of us in the Legislature that it was not the intent of the General Assembly to re-write the Machinery Act in 1971 so as to preclude the Veterans and Masonic Bodies from being excluded from the property tax exemptions as they might pertain to their actual lodge facilities. While they were, under the previous Machinery Act, there is some doubt as to whether they could have defended this exemption in court under the definition in the Constitution. So it is up to this General Assembly, here and now, to classify these organizations and exclude them from the tax base and according to the Constitution and the statutes set forth in the current Machinery Act, it is within our power to do so. There is no loss of revenue, either to the municipalities or the counties

hereby affected for they have not yet collected any tax on these properties. From all the reports that I receive I find no strong desire on the part of local government to tax these organizations. While time is of essence I think it is most important that we take a few moments to reflect on how Freemasonry has been entwined with our forefathers search for freedom and the historical significance of this organization to the founding of our great democracy and to the brotherhood of man in general. To those of us who are Masons let us pause for a few moments and reflect on its meaning. To those of you who are not brothers in the Masonic order, let us so very briefly open the door to its meaning. In all the rich symbolism of Ancient Craft Masonry, two symbols predominate; one is a search for light, the other is the labor of building. The source of light is the Holy Bible; and the representation of the builder's art, is King Solomon's Temple. Searching persistently and building carefully, the candidate in Masonry travels slowly toward the East. As he pursues his quest for light, he learns to use the working tools of the stone craftsman, until at last he finds himself portraying the character of the greatest of all legendary builders, the Master Architect of King Solomon's Temple. And the search and the labor are not completed by the candidate within the lodge. Light is revealed, and the sacred source of all light is clearly indicated, but the search for complete illumination must be eternal. The Temple, in the Masonic ritual, is almost, but not quite completed: the expressions through symbolic figures and actions of truth, give cause to a rise from a physical to a spiritual temple — "a house not made with hands, eternal in the heavens".

Regardless of the symbolic revelations in the Masonic degrees apart from the lodge, the unending search in the labor of the individual toward perfection begun in the lodge must continue with the initiated Mason throughout his life. He is admonished that he should walk uprightly for God and man, that he should square his actions by the square of virtue and that he travels upon the level of time to that undiscovered country from whose bourne no traveler returns. And finally, that we are more than friends, that we are all brothers and we should spread the cement of brotherly love and affection which unites us into a sacred band or society of friends and brothers. Reminding ourselves at all times that, as the unknown poet put it so well;

"I sought my soul but my soul could not see, I
sought my God but God eluded me, I sought my
brother, and I found all three."

From the Constitution of the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, I quote a portion of The Code:

"The lodge acknowledges belief in God to be the great fundamental principle and landmark of Freemasonry upon which our fraternity is erected. Without an avowal of such belief, no man shall be initiated in a lodge of Ancient, Free and Accepted Masons; and if a Freemason shall renounce or forsake his belief in God, or if he does not continue to entertain such belief, he shall not remain a member of any lodge. Under the Declaration of Principles: Freemasonry is a *charitable* society in that it is not organized for profit and none of its income inures to the benefit of any individual, but

all is devoted to the promotion of the welfare and happiness of mankind. It is *benevolent* in that it teaches and exemplifies altruism, "Good will toward men", as a duty. It is *educational* in that it teaches by prescribed ceremonials a system of morality and brotherhood based upon the Sacred Law. It is *religious* in that the Holy Bible is open upon its altars whenever a lodge is in session, reverence for God is ever present in its ceremonial, and to its brethren are constantly addressed lessons of morality; yet it is not sectarian or theological".

Practically every village in our country was built around a little red school house, a little white church, and a little Blue Masonic Lodge. If time were no factor, I could relate to you the extent to which Freemasonry was responsible for the achievement of American independence — how deeply it is entwined with the foundation of the government that we practice in this very room today. The leading men of spirit in the Colonies met in their lodges and the ties of brotherhood that bound them together in Masonry also bound them together in the cause of freedom — throughout history Masonry has drawn together men of character in every section of this country and from every walk of life. To name but a few Grand Masters and Master Masons that are pillars of our story of freedom, are: Paul Revere, Benjamin Franklin, George Washington, Andrew Jackson, James Madison, James Monroe, Patrick Henry, Chief Justice John Marshall, Mark Twain, Will Rogers, Irving Berlin, George M. Cohan, Franklin Roosevelt, Harry Truman, Douglas MacArthur, and George Marshall.

And frontiersmen like Meriwether Lewis, and William Clark or Sam Houston, Davy Crockett, or Bill Cody.

And to bring it closer to home, to remind you about the history of our own great state, remember that William R. Davey was one of the greatest Masons who ever lived in the State of North Carolina. He was seven times Grand Master of Masons. No other man ever served for so long a time. He personally laid out the campus of the University of North Carolina in the form of a symbolic Masonic Lodge. None of you have ever heard of a north building on the campus, for there is none. There are only three stations in the Symbolic Masonic Lodge — East, South and West. The East represents the station of the presiding officer in a Masonic Lodge and is symbolic of the rising sun. The next highest officer is in the West, which is symbolic of the setting sun and the closing of the day. The third officer sits in the south, which is emblematic of the meridian and the beauty and glory of the day. The Old Well is in the position occupied by the altar in a Masonic Lodge upon which the Holy Bible rests. No Masonic meeting is ever held without the Holy Bible being open upon its altar. If you go to the auditorium at the Institute of Government in Chapel Hill and examine the murals on the walls, you will find one in which William R. Davey is laying the cornerstone as Grand Master of Masons in North Carolina for the first building erected on the campus of the University of North Carolina.

This is the kind of an organization that I would ask you, the General Assembly, to continue to exclude, as we have for all the years that we have existed, from the property tax base in our cities and

counties. Our new Constitution, approved by the voters of this state on November 3, 1970, gave this General Assembly the power to classify and exclude certain property from taxation. In this bill, House Bill 240, we are asking that the Masonic Bodies of this state continue to be given this exclusion.

That ended my brief remarks to the members of the House Finance Committee, and needless to say, we were successful in our efforts, thanks to many of you. But never let us forget that we must forever be on guard — against the future loss of these historic and constitutional rights. So once again, I remind you of our theme that there is a time to speak, a time to speak out for the things we believe in. We as Masons must never fail to assert ourselves in the support of this historic and patriotic organization. As I begin now to pursue my final thoughts in this honest, and sincere revelation of one Mason's feelings toward his brother, and in focusing your final attention toward the theme of just *What Time Is It?*, I would like to quote a few lines, written by Charles Dickens in the novel, "A Tale of Two Cities" — Dickens of course, was writing the artistic history of the French Revolution at a time when England was involved in turmoil.

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to heaven, we were all going direct the other way — in short, the period was so far-like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only."

If we did not know better, we would think Dickens had been re-incarnated and was writing of our present time in history. I am certain that as Dickens wrote the words that I have read for you that he too, was reminded of Ecclesiastes, Chapter 3, for the thought is so similar, and so, as we come to the conclusion, may I repeat the question once more — what time is it for you, what time is it for me? A time to heal, to reconcile and be reconciled, to build up, to embrace, to seek, a time to love, a time to pray, a time to work for peace. And most of all, and best of all, a time as Masons to re-dedicate ourselves to the feeling for our Brother and to the love of God. What time is it? It is *this time* in our lives. It is *God's time*, it is *your time*, it is *my time*. Yes, to everything there is a season and a time to every purpose under the heaven. It is the *only time* that you will have upon this earth to prepare for *your time* in Eternity.

WILLIAM L. MILLS, JR.
Grand Master Presiding

REPORT OF THE GRAND MASTER

(Docket No. 30)

M. W. William L. Mills, Jr., Grand Master of Masons in North Carolina, delivered the following report, which was referred to the Board of General Purposes. (See Page , Docket No. of these Proceedings for the distribution of this report).

To the Most Worshipful Grand Lodge of North Carolina:

MY BRETHREN:

The time has arrived and is now here when I must present a written report of all my "acts as Grand Master and the general condition of Masonry within this jurisdiction and recommend such legislation and such action as" I may deem necessary as required by Regulation 16-03 of the CODE.

When seriously considered, this is a monumental task which I do not relish. Having studied the techniques of Dale Carnegie, I am cognizant of the fact that my approach may not necessarily comply with his formula on "How to Win Friends and Influence People," but I can report to you in all honesty that every act and deed, decision and order has been consummated only after thoughtful deliberation as to what course of action or decision would be in the best interest of Masonry, without regard to any individual or group of individuals.

Realizing that no one individual can formulate a plan of any significance, sell it to 72,000 Masons spread over this great State from the mountains to the seas, then implement such a plan in the short period of twelve months, I asked all Grand Lodge officers in line from the Grand Marshal to the Deputy Grand Master to meet with me prior to my having been elected Grand Master in order that we might discuss a few of the problems with which Masonry is confronted in North Carolina and to adopt some plan which we could all thereafter strive to implement.

As a result of this meeting, a Declaration of Intent was executed on the 15th day of April, 1974, which reads as follows:

DECLARATION OF INTENT

We, the undersigned officers of the Grand Lodge of A. F. & A. M. of North Carolina, having met at Concord, North Carolina, on the 29th day of March, 1974, and hav-

ing discussed at length the condition of Freemasonry in the State and the various programs of the Grand Lodge of North Carolina and the problems with which Masonry is confronted, do hereby agree in principal to the statements hereinafter set forth and we do each hereby certify that it is our intent to exert every effort to promote and implement the fulfillment of the recommendations herein set forth:

DEMOLAY

Never has the spiritual and moral development of the youth of our nation been in so dire need of wise and sympathetic understanding, counseling and guidance as now. For many years the Masonic fraternity and its appendant organizations have professed to sponsor and support DeMolay. The greatest need in the DeMolay program today is that of dedicated, able and competent advisors whom we have failed to provide. The success or failure of each particular chapter has depended almost entirely upon the dedication of a single individual; there is a lack of competent and able leadership for the organization and development of local chapters; for good, harmonious relationships between chapters; and for co-ordination and continuity in the development of long-range plans and programs. Masonry should either take an active role in, and actually support and promote DeMolay or else disassociate itself from DeMolay and quit claiming credit for something it has not been and is not doing.

To this end, we recommend that the program hereinafter outlined be adopted by the Grand Lodge and we do each pledge our support in the implementation and execution thereof, to wit:

1. A DeMolay Committee should be organized consisting of a member to be appointed by the Grand Master, one by the Sovereign Grand Inspector General of the Scottish Rite Bodies, one by each of the heads of the York Rite Bodies, one by the Potentate of Sudan Temple and one by the Potentate of Oasis Temple to be known as the "North Carolina DeMolay Committee" or some other appropriate name.

2. The Grand Master of Masons in North Carolina shall be ex officio a member of said committee.

3. The said committee shall nominate and recommend an individual for appointment as DeMolay Representative

in the State of North Carolina by the Grand Master of DeMolay.

4. The Committee shall seek a full-time Executive Secretary for DeMolay in the State of North Carolina and shall prescribe the duties and responsibilities of the secretary, establish a schedule for his compensation, and supervise the performance of his assignments and duties.

5. The Committee shall prepare a budget for the financing of the office of the Executive Secretary and make recommendations to the Grand Lodge and the several appendant bodies concerning the financial support thereof.

6. The Grand Lodge shall seek able and capable advisors for the local chapters and shall establish a suitable program for recognizing and honoring those who distinguish themselves in service to DeMolay.

RAINBOW GIRLS

We are of the opinion that the program established for DeMolay should be launched as a pilot project and after two (2) or three (3) years, the Grand Lodge shall invite the Order of the Eastern Star and the appendant Masonic bodies to join with it in the establishment of a similar program for the Rainbow Girls.

MASONRY'S PUBLIC IMAGE

It is evident from recent developments in the North Carolina General Assembly regarding legislation to exempt the properties belonging to the Grand Lodge of North Carolina, its subordinate lodges and the appendant bodies of Masonry from taxation that the influence of Masonry in the State of North Carolina is at an all-time low. It is our opinion that the existing conditions are due in part to the gross failure of Masons in North Carolina to practice and implement the principles and precepts which they profess to believe and our failure to discipline those members who habitually violate both the civil and Masonic laws and engage in acts and conduct which degrades and engenders contempt for the good name of Masonry. The officers of the subordinate lodges and a majority of the Craft are ignorant as to what steps can and should be taken to correct these conditions and no one wishes to become involved and as a result of our apathy we have failed to fulfill our duties and responsibility as far as discipline is concerned. It is unreasonable to expect any brother to devote sufficient

time and effort to the preparation of complaints and to prepare for the prosecution of charges made against an accused without compensation. We therefore recommend that a person be delegated to work in the Grand Lodge office for the purpose of assisting the subordinate lodges with such problems.

PAID EMPLOYEES

We recommend that the duties and responsibility of all paid employees of the Grand Lodge of North Carolina, including the Secretary and his staff, the Assistant Secretary, the Treasurer, and others, including the Editor of the "North Carolina Mason" be reviewed and that the duties, responsibilities and compensation of each be determined and outlined so that we may receive maximum benefits for monies expended.

IN WITNESS WHEREOF, we have hereunto affixed our signatures, this 15th day of April, 1974.

Grand Marshal

With this declaration in mind, I set out as Grand Master to ascertain and determine, insofar as possible, the status of Masonry in this Grand Jurisdiction and to implement the purpose and intent set forth in the declaration. The results of my efforts, the conditions which I found, the decisions which I made, orders which I rendered, and the recommendations which I wish to make are enumerated in the appropriate subdivisions of this report hereinafter set forth.

OUR FRATERNAL DEAD

Since our last Annual Communication, the Grim Reaper of Time has claimed its usual share of our membership, but let us not forget the words of the Psalmist: "Precious in the sight of the Lord is the death of His saints."

During the last calendar year 1,346 laid aside the working tools of life and have been exalted to the Celestial Lodge above, the home of our heavenly Father, who is Supreme Architect of the Universe. There they shall dwell peacefully in splendor and grandeur throughout eternity.

Among this number was our beloved Past Grand Master, M. W. Edwin Turlington Howard. He perhaps is responsible for my having had the honor of being your Grand Master for the last twelve months. It was Brother Howard who introduced me to M. W. Arnold J. Koonce, Sr., who appointed me as Grand Steward.

My absence from the State prevented me from being present for the final Masonic rites in honor of Brother Howard. An Emergent Communication of the Grand Lodge was called at 2:30 p.m. on Friday, June 28, 1974, at Salemburg, North Carolina. The Grand Lodge was opened by R. W. S. Frank Noble, Jr., Deputy Grand Master, acting as Grand Master, and the earthly remains of our departed brother, M. W. Edwin Turlington Howard, were committed to the grave with Masonic honors as requested by his family. M. W. Robert L. Pugh was designated to prepare a memorial for Brother Howard. It will be presented with the report of the Committee on Necrology.

Were it not for the faith and hope which we have to be reunited with these Brethren in that magnificent home, not built with hands, eternal in the heavens, life here on earth would be sterile, desultory and unbearable.

So, while we mourn our departed Brethren as they cross the threshold which separates this veil of tears from immortality, we rejoice; for we realize that some day we too shall join them in that land of eternal bliss.

DISTRICT MEETINGS

During the period June 3, 1974, to November 15, 1974, I held a meeting in each of the 65 Masonic districts in this Grand Jurisdiction. The same format was followed in each district, but this format was substantially different from any that the brethren had been accustomed to in the past.

Immediately after having been received as Grand Master, I announced to the brethren that I had not come to make a speech or to lecture, but instead to ascertain the status of Masonry in their respective districts and lodges and to find out, if possible, what kind of problems, if any, they

were having, to offer suggestions when appropriate, to obtain new ideas to carry to other districts and lodges, to inform them as to the functions and operations of the Grand Lodge, to find out if the Grand Lodge could help them in any way, to answer any questions which they may have and to receive any suggestions which they may wish to make.

I am convinced that there is no substitute for personal contact and visitation by a concerned Grand Master, and that the only way to improve on the visitation program of the last three (3) Grand Masters and to improve the relationship between the Grand Lodge and the subordinate lodges would be for the Grand Master to visit each and every subordinate lodge, which of course is impossible.

In these district meetings, I first gave the Master of each lodge an opportunity to report on the status of Masonry in his particular lodge. Thereafter, I asked the Master certain questions, not for the purpose of embarrassing or humiliating him, but for the purpose of stimulating thought and imagination in order that each Master may make a self-appraisal of the condition of Masonry in his lodge.

The results were revealing, surprising, sometimes shocking, stimulating and beneficial to those who really have the interest of Masonry at heart.

The interviews with the Masters were followed by reports of the District Deputy Grand Lecturers, the District Education Chairmen and the District Deputy Grand Masters. Reports were then given on the Masonic and Eastern Star Home and the Oxford Orphanage, after which the Assistant Grand Secretary, Brother Robert P. Dudley, discussed the procedures and format followed at the Annual Communication of the Grand Lodge, emphasizing the fact that those in attendance who do not know what is taking place at the Grand Lodge are those who have failed to do their "home work." Brother Dudley emphasized the fact that any member having a question about anything which may appear on the agenda should appear before the appropriate committee considering the matter, and if he is not then satisfied, he should take such action as may be appropriate on the Grand Lodge floor. Brother Dudley also discussed the various amendments to the CODE which would be considered at this Communication and explained the consequence of each.

After the Assistant Grand Secretary's presentation, the meeting was open for questions, which in many instances revealed the fact that brethren in the lodges of the more remote areas of the State are more cognizant of what is going on in Grand Lodge than others may sometimes realize, for they asked many appropriate, piercing questions as to why certain things are and are not done.

The discussions which took place at these meetings and the questions asked by the brethren form the basis for the several recommendations which I make in other parts of this report.

DISTRICT DEPUTY GRAND MASTERS

Perhaps more credit is due the District Deputy Grand Masters than any other group of Masons for the stability and continued growth of Masonry in this Grand Jurisdiction. Each of the 65 District Deputy Grand Masters pledged their support and best efforts for the promotion of Masonry before they were appointed or reappointed to this important office.

These brethren were responsible for arranging the district meetings in their district, and have faithfully responded to every request in an efficient way and manner.

Except for Worshipful Brother John L. Jones of the 13th Masonic District, who was summoned to the Celestial Lodge above on the 26th day of July, 1974, all of the District Deputy Grand Masters appointed by me to serve during my administration, served throughout the entire period with honor and dignity.

Fourteen of these brethren have completed three years of service and are eligible and qualified for the honorary title of Past District Deputy Grand Master, under the provisions of Regulation 12-05 of the CODE. I, therefore, recommend that the Grand Lodge bestow this title upon these brethren, to wit:

Name	Lodge	District	Years Served
Gideon G. Kight	53	1	1972-73-74
Joseph L. Williams	296	5	1972-73-74

MASONIC EDUCATION

I am pleased that I was able to attend all three of the September, 1974, Area Education Workshops conducted in Asheville, Asheboro and Greenville. It was an impressive experience to see from sixty to one hundred Brothers break up into small groups of four to work through one of the sessions of "A Masonic Lifestyle." Before the session ended, it was obvious to all of us that the dynamic of evaluating our Masonic way of life was reaching the heart within us. Evaluating our Masonic motives and ethics, our Masonic relationships and priorities in this manner seems much more effective than merely listening to a lecture. The programs are well written and they involve every Brother in the evaluation process. I strongly urge every Chairman of the Lodge Committee on Masonic Education to acquire a set of the programs and to become proficient in conducting the five sessions in his lodge.

The 1974 Masonic Education Manual covers a five-year cycle of leadership training. It is absolutely mandatory that every District Education Chairman do his best to implement those principles of leadership in his District Workshops. The methods of learning set forth in the Manual are quite up-to-date. It leaves only the challenge of every DEC and every Master to encourage the line officers to take seriously their opportunities for leadership training.

I want to express my sincere appreciation to members of the Grand Lodge Committee on Masonic Education and to the Chairman, Brother I. Boyd Hopkins, who for two years has done a full-time job on a part-time basis. Brother Hopkins has been the originator, script writer, producer, set manager, director, supervisor and chief instructor of the best Masonic education program in existence, bar none.

I also want to name and say "thank you" to the Grand Lodge team who assisted Brother Boyd in the Area Workshops: Brothers Tom Dancy, Charlie Hart, Jack Robinson, Larry Scott, Swanson Snow, and Kelly Surratt, all from the 47th Masonic District.

In fact, when one starts saying "thank you," in education as in other programs of the Grand Lodge, there is

no place to stop. The hard-working DECs are to be highly commended for their good work. They hold the key to success in their respective districts.

Congratulations to the seventy-seven lodges receiving the Grand Master's Fifth Year Award this year. It is this kind of consistent year-to-year diligence that gets the job done. I challenge all of us to work together in the years ahead. If we do, we will get the job done — for the good of the Order!

BOARD OF CUSTODIANS

I wish to thank the Board of Custodians for the fine service which they have rendered the Grand Lodge during the past 12 months. This Board operated under the guidance of our most able and efficient brother, W. M. Henderson Rourk during the first six months of this Masonic year; but by reason of his health, Brother Rourk felt it necessary to tender his resignation in September. While we hated to lose the valid service of Brother Rourk, it was incumbent upon me to honor his request. Thereafter, the Board of Custodians nominated Brother Gilbert R. English, and I appointed Brother English Grand Lecturer on the 14th day of January, 1975.

I would be amiss not to thank Brother J. Earl Watson, Chairman of the Board of Custodians, and Brother E. Floyd Dunn, Secretary, for the able and efficient services which they have rendered, along with the other members of this Board, Brothers William K. Price, James H. Horne, W. Kenneth Buckner and W. Herman Hardee.

The amendments to the CODE adopted at the 1974 Annual Communication relating to lecture service, generally speaking, have been well received by the subordinate lodges.

The Board has authorized the preparation of six copies of the Official Standard of The Work in braille to be distributed and used, as authorized by the CODE, by our blind brothers who wish to maintain their proficiency.

Certified Lecturer examinations were held during the month of September with 103 taking the examination. Only one failed, which resulted in a net gain of 11 Class A Lecturers and 9 Class B lecturers, making a total of 479 Class A Certified Lecturers and 14 Class B Certified Lecturers in this Grand Jurisdiction.

For a job well done, we extend our sincere thanks to the Board of Custodians.

OFFICE OF THE JUDGE ADVOCATE

Perhaps the most thankless job in the entire Grand Lodge is that of the Judge Advocate. Unless you have at some time in the past been appointed to a trial commission or have been one of the very small number of brothers who has had charges of unMasonic conduct preferred against him, you perhaps have never heard tell of the Judge Advocate or know anything about his duties and responsibilities. This office, in my opinion, is perhaps one of the most important offices in the entire Grand Lodge and the Judge Advocate is probably the most ignored individual in the entire Grand Lodge.

As I have traveled throughout the State during the past year, I have stressed the importance of improving our public image. In doing this, the distasteful duty must fall upon someone's shoulder to process the complaints filed against those whose conduct defiles the good name of Masonry.

The moneys which have been appropriated for this office in past years is grossly inadequate for the services expected of and rendered by the Judge Advocate. I, therefore, wish to salute our Worshipful Brother, the Honorable William T. Hatch, for the meritorious service which he has rendered the Grand Lodge of North Carolina as Judge Advocate and to him every member of this Grand Jurisdiction should express his grateful thanks.

75-YEAR AWARDS

As Grand Master, I have had a unique opportunity to present awards to two of our faithful brothers this past year who have served our beloved fraternity for more than 75 years each. It is remarkable when one stops to think and realize that both of these brethren will have lived through one-half of the history of this nation if God permits them to continue their labors for 15 more months until July 4, 1976.

Brother George Edgar Bisanar was raised to the Sublime Degree of Master Mason in Hickory Lodge No. 343 on the 7th day of April, 1898, and completed his 77th year of Masonic service on the 7th day of April, 1975. He was Master of Hickory Lodge during the years 1902-05.

Brother Frederick Farley Harding was raised to the Sublime Degree of Master Mason in William G. Hill Lodge No. 218 on the 13th day of October, 1899, and completed

his 75th year of service on the 13th day of October, 1974. He is a charter member of Raleigh Lodge No. 500, which was chartered on the 10th day of January, 1900, and he served as Master of Raleigh Lodge No. 500 during the year 1902-03. He was first installed Grand Tyler of the Grand Lodge of North Carolina in 1939 and has served continuously as Grand Tyler of the Grand Lodge of North Carolina for 36 years.

We salute these faithful brethren and present to them at this Annual Communication a plaque in recognition of their devoted service.

DEMOLAY

The program for DeMolay outlined in the Declaration of Intent referred to in the fourth paragraph of my report has been well received throughout the State by all of the subordinate lodges, the Scottish and York Rite Bodies, and the Shrine Temples.

Brother Dallas Holoman, Jr., was nominated to represent the York Rite Bodies on the Grand Lodge DeMolay Committee, Brother Frederick H. Trethewey was nominated to represent the Scottish Rite Bodies, Brother Charles B. Winberry, Jr., was nominated to represent Sudan Temple, and Brother H. Edward Austin was nominated to represent Oasis Temple. Each of these brethren was then appointed, together with Brother Hiram J. Casebolt, to represent the Grand Lodge as members of this important committee.

The DeMolay Committee met first to discuss its purpose and to outline the procedure to be followed. At its second meeting it made plans for the establishment of a central office and prepared a tentative budget to finance the program. The several representatives took the matter up with the respective body which they represent, and each of the bodies has wholeheartedly endorsed the program and collectively have agreed to fund an initial budget of \$30,000.00 with plans for the establishment of an endowment fund for the long-range program.

Our greatest need, however, is that of securing able and competent, dedicated leadership for these young men. The third step in the committee's schedule is to secure a brother of renown, stature and dignity, well-known throughout the entire State who can and will represent the entire State without inhibition or reservation and who is acceptable to each of the several bodies which has pledged

its financial support. This position is crucial and I hope and pray that we will be directed by divine guidance to the right man for this position.

Brethren, the destiny of this nation at this particular period of time is as critical as it was 200 years ago on the 29th day of April, 1775, and unless we provide our sons and daughters with the leadership, counsel and guidance which they so desperately need, we shall pay the grim consequence. Pray, therefore, that we will be led to the right man to serve as DeMolay representative for the State of North Carolina. This particular officer will not receive a salary, but the approved plan provides for the employment of a full-time Executive Secretary to do the "leg work" for this executive officer and to serve the subordinate lodges and DeMolay chapters throughout the State.

For the support given this program by all officers of the blue lodges throughout the State, the Grand Lodge officers, the heads of the Scottish Rite and York Rite Bodies and the Shrine Temples, I am deeply grateful; and with their continued support and cooperation, we shall prevail.

OXFORD ORPHANAGE

To say that we have had problems at the Oxford Orphanage during the past year would be the understatement of my administration; but in spite of our problems, I believe it would be safe to say that we have a more organized administrative staff and mode of operation, and that more improvements have been made to facilities, buildings and grounds than have been made in recent years during any similar period of time. Both the morale and attitude of the staff and children are more pleasant and healthier than they have been in recent times.

These accomplishments are the result of a hard-working Board of Directors who have assumed and responded to their duties and responsibilities. I would be amiss if I did not publicly recognize and thank the members of this Board for all that they have done, namely, Brothers S. Frank Noble, Jr., Hiram J. Casebolt, Leslie H. Garner, Berl M. Kahn, Robert L. Martin, William F. Owen, Jr., Walter F. McCall and Joseph M. Propst. Brothers McCall and Propst are not as well known among the members of this Grand Lodge as the other brethren, but they have made substantial contributions to the Orphanage during the past twelve months of inestimable value.

I am pleased to report that we now have an able and capable brother at the helm of this institution, Brother Robert L. Winston, a past Master, whose work has been proven.

MASONIC AND EASTERN STAR HOME

Within thirty minutes after I was elected Grand Master on April 17, 1974, I was informed by Brother Robert N. Bass, Jr., President of the Masonic and Eastern Star Home of North Carolina, Incorporated, that Brother Troy Robins, whom we all dearly love, had submitted his resignation as Superintendent, requesting to be relieved of his duties immediately. This news created a problem of enormous magnitude for which I was not prepared; but, as I have indicated on other occasions, I believe that the Lord takes care of those who put their faith and trust in Him.

Within thirty days, we located and employed Brother Thomas A. Patterson, who assumed his duties and responsibilities at the Home on the 1st day of July, 1974. Brother Patterson has continued the tradition of good management and service demonstrated by his predecessors in an exemplary way and manner.

The Reverend Robert M. Hardee, retired Methodist minister, has been added to the staff as Chaplain and is making a great contribution to the emotional and spiritual welfare of the guests.

We expect the new Administration Building to be completed and in use within the next thirty days, at which time all of the facilities at the Home will be in excellent condition.

OUT-OF-STATE VISITATIONS

I received many invitations to visit other Grand Jurisdictions, both within and without the continental United States, but my attendance would have necessitated the neglect of matters here at home which I considered of more importance.

I did, however, attend the Annual Communication of the Grand Lodge of Ontario at Toronto where it was my privilege to fellowship with a large number of the representatives of other Grand Jurisdictions from all over the United States.

It was also my privilege to attend the Imperial Shrine Convention at Atlantic City in June, 1974.

Accompanied by Brothers S. Frank Noble, Jr., Hiram J. Casebolt, Leslie H. Garner, James W. Brewer, Charles A. Harris, Robert P. Dudley, Robert L. Pugh and I. Boyd Hopkins, we attended the Southeastern Masonic Conference at Orlando, Florida, which proved to be both informative and beneficial.

In February, Brothers S. Frank Noble, Jr., Hiram J. Casebolt, Leslie H. Garner, James W. Brewer, Robert P. Dudley, E. Stansil Aldridge, William T. Hatch, Robert L. Pugh, Charles A. Harris, James G. Johnston, G. Dudley Humphrey, Harvey W. Smith, Robert N. Bass, Jr., William W. Mims, Jr., and A. C. Honeycutt accompanied me to our nation's capital for the Grand Masters Conference. On Tuesday evening, February 18, our entire Congressional delegation was invited to be your guests at a banquet at the Sheraton-Americana Hotel. Both of our Senators, who are members of the Craft, Honorable Jesse A. Helms and Robert B. Morgan, attended. We were also honored with the presence of Honorable David N. Henderson, representative from the 3rd Congressional District; Steven Neal, representative from the 5th Congressional District; Charles Rose, representative from the 7th Congressional District; William G. Hefner, representative from the 8th Congressional District; and Roy A. Taylor, representative from the 11th Congressional District.

HOSPITAL VISITATIONS

It was my pleasure and privilege to visit three of the four Veterans Administration Hospitals in the State of North Carolina. My appointment to visit the hospital at Durham was cancelled a few days before it was to have been made.

Having been Veterans Service Officer for Cabarrus County, North Carolina, for a little over two years in 1945-1947, and having served as an American Legion Service Officer for an even longer period of time, it was inspiring to note the many changes and improvements which have been made during the last two decades. Services being rendered our disabled veterans in these institutions by the field agents of the Masonic Service Association are invaluable.

On the 12th day of July, 1974, the Assistant Grand Secretary, Brother Robert P. Dudley, and I visited the VA Hospital at Oteen. We were given a royal welcome by

Brother Paul C. Sherwood, field agent for the Masonic Service Association, and Brother H. W. Meredith, Director of the Hospital, who escorted us through the facilities. Few people in North Carolina realize the nature and extent of the services provided at Oteen. We have some of the most sophisticated equipment and skilled surgeons in the world in the art of open heart surgery at this institution.

On the 10th day of October, 1974, we were given a conducted tour of the VA Hospital at Salisbury by Brothers Wiley G. Morgan, Earl R. Curran, Grady Hall and Tom Kepley, and on the 13th day of November, 1974, we were conducted through the facilities at Fayetteville, North Carolina, by Brothers L. A. Faucette and William E. Whitman. Later, on the 11th day of December, it was my pleasure to present Brother Whitman with a certificate for thirty years of continuous volunteer service as field agent for the Masonic Service Association.

It seems that the younger generation tends to discount the sacrifices made by previous generations in loss of life, limbs, blood and health in order to preserve our American heritage; therefore, we should continue to let our "Masonic light" burn brightly in these institutions.

BICENTENNIAL CELEBRATION

Our nation will not be 200 years old until July 4, 1976, but the official celebration of this great event was launched at New Bern, North Carolina, during the week of August 18, 1974, by the bicentennial celebration of the First Provincial Congress. The Grand Lodge of North Carolina held an Emergent Communication in New Bern in connection with this celebration. This came at a crucial time in the history of our nation in that the first President of the United States to ever resign did so on the 9th day of August, 1974, just ten (10) days before our meeting, and the first President to be installed without having been elected by the people in the 198-year history of our nation assumed office on said date.

This was a traumatic experience of great concern to all thoughtful Americans, and in connection therewith, the Grand Lodge at this Emergent Communication unanimously adopted a resolution proclaiming the week of August 19, 1974, as a week of prayer, to invoke the blessings of Almighty God upon our new President, Brother Rudolph Gerald Ford, a 33° Mason. A copy of the proclamation ap-

pears in the appendix for the proceedings of this Annual Communication.

DISABLED PETITIONERS

Since I was maimed in World War II and would never have had the privilege of being raised to the sublime degree of Master Mason had my physical impairment not been waived by M. W. William J. Bundy, perhaps I may have been more charitable in this respect than other Grand Masters have been.

At the same time, I may have been more harsh, for I have not approved a Petition for any disabled person, even though he is able to adequately provide for himself and family, until I inquired not only as to the nature and extent of his physical impairment, but also as to the source of his income. I am of the opinion that the ability of a Mason to support his family should arise out of his industry and activity and not by reason of an annuity, pension or compensation which he may be receiving for his injuries.

I trust, hope and pray that each decision I have made is as it should be.

Petitioner	Nature of Disability	Decision
A	Deformed right hand and foot	Approved
B	Heart and back condition	Approved
C	Right leg amputated	Approved
D	Destruction of tissue in both legs	Approved
E	Spinal fusion	Approved

ONE STORY LODGE BUILDINGS

I am pleased to report to the Grand Lodge of North Carolina that I have had the opportunity to inspect numerous one-story lodge buildings throughout the State, all of which are handsome, comfortable and safe from cowans and eavesdroppers. Generally speaking, the facilities of the subordinate lodges are in excellent condition, and I have approved plans for the construction of new one-story buildings by the following lodges, to wit:

Relief Lodge No. 431, Benson, October 17, 1974
South Fork Lodge No. 462, Cramerton, October 31, 1974
Montgomery Lodge No. 426, Ranger, October 31, 1974
Newell Lodge No. 739, Newell, February 6, 1975
Providence Lodge No. 678, Columbia, March 18, 1975

DISPENSATIONS GRANTED

Numerous dispensations were granted during the year as follows:

(a) Five (5) dispensations were granted for visitation privileges with subordinate lodges in other Grand Jurisdictions.

(b) Twenty-four (24) dispensations were granted to fill office vacancies created by death and/or resignation approved by me as Grand Master.

(c) Two (2) dispensations were granted under the provisions of Regulation 76-16 of the CODE to rebalot on applications for affiliation.

(d) Two (2) dispensations were granted to ballot a second time on Petitions for the Degrees under the provisions of Regulation 76-16 of the CODE.

(e) Three (3) dispensations were granted to hold meetings other than at the regular meeting place.

(f) One (1) dispensation was granted to hold a Stated Communication in a new location until the by-laws of the lodge could be changed to provide for meeting at the new location on a regular basis.

(g) Six (6) dispensations were granted to hold an election of officers at a Stated Communication subsequent to the date prescribed by the CODE for lack of a quorum on the prescribed date.

UNOFFICIAL OPINIONS AND ORDERS

In compliance with Regulation 16-03 (5) of the CODE, I herewith report the unofficial opinions and orders which I entered.

PROCEEDINGS OF THE

NO. 1

August 26, 1974

W. James L. Johnson

Master

Hickory Lodge No. 343, A. F. & A. M.

Post Office Box 451

Hickory, North Carolina

Dear Brother Johnson:

I continue to receive shocking reports concerning bickering among the Masonic brothers in Hickory, both inside and outside the lodge room. I am advised that there are a few brothers who refer to others with profane and obscene titles and prefixes normally reserved for that segment of our society which does not have intelligence enough to express themselves without resort to vulgarity; that matters relating to Masonic business are freely and openly discussed in public places without regard to the status of those present; and that wives and children of Masons have become involved and openly discussed the matters of controversy. Such conduct is a violation of the Masonic CODE; it is unbecoming any respectable person, should sear the conscience of anyone who professes to be a Master Mason and is causing irreparable damage to the good name of Masonry.

This malignant wrangle, which I believe is perpetuated by a very few individuals, has endured far too long and **MUST CEASE IMMEDIATELY.**

I, therefore, direct that a copy of this letter be mailed to each member of Hickory Lodge No. 343, A. F. & A. M., with instructions that all violations of THE CODE and incidents of unMasonic conduct be documented and charges preferred forthwith against any brother who is unable to control his passion and refuses to dwell and labor with the Craft in peace and harmony.

It is my hope and prayer that this notice will suffice to restore peace and harmony in the quarry at Hickory. If, however, it does not, it shall be my unpleasant duty and solemn obligation to come to Hickory and pick up the charter of Hickory Lodge No. 343.

Trusting such an unpleasant chore will not be forced upon me and that the brethren at Hickory will rededicate themselves to the principles of Masonry and resolve to exemplify the tenets of brotherly love and friendship in their daily lives and relationship to one another, I remain

Sincerely and fraternally yours,
William L. Mills, Jr.

NO. 2

March 24, 1975

W. James B. Millner, Jr.

Post Office Box 556

Providence, North Carolina 27315

Dear Brother Millner:

I have endeavored to improve the "public image" of Masonry in North Carolina and promote unity and good will between all Masonic bodies and the Shrine during the past eleven months; there-

fore, I am sorely grieved over the many complaints which I have received concerning the animosity between those fervently engaged in the project to organize Amran Temple and those violently opposed thereto. I am advised that appeals are being made for signatures to the petition to form this temple in the blue lodges which solicitation is bitterly resented by some.

As Master of your lodge, it is your duty and responsibility to maintain dignity, order and decorum at all times, and your decision on all points of order is final, subject only to an appeal to the Grand Lodge.

The ancient charge to a Master provides that "No private piques or quarrels must be brought within the door of the Lodge, far less any quarrels about religion, or nations, or state policy . . ." and, if I may add, far, far less any controversy involving the formation of a new Shrine temple.

It is, therefore, ordered that all discussion, promotion and other activity relating to the formation of Amran Temple be enjoined in the blue lodge and that all such activity be transacted elsewhere.

It is further ordered that this Order be read in open lodge at the next stated communication of Caswell Brotherhood Lodge No. 11 following the receipt thereof and recorded in the minutes of the lodge for said communication.

Witness my hand and official seal, this the 24th day of March, 1975, AL 5975.

NO. 3

(On January 16, 1975, I received a letter from Brother S. Brent Morris, professor in the Department of Mathematics at Duke University, requesting that I grant permission for the Grand Lodge Education Committee to join with the Sociology Department at Duke University in conducting a survey of Freemasons in North Carolina. The purpose of the survey would be to determine what induces a man to petition for the degrees of Masonry; from what walk of life do most petitioners come; what motivates Masons; what Masonry means to the average Mason; how Masonry fits into the life style of members of the fraternity, etc. My response is set forth in the following unofficial opinion.)

April 9, 1975

Dr. S. Brent Morris
Department of Mathematics
Duke University
Durham, North Carolina 27706

Dear Brother Morris:

I apologize for having taken so long to respond to your letter dated January 16, 1975. I have received only one letter since I was installed as Grand Master to which I have not responded, and it is not my nature to put things off; but your letter and proposal has given me great concern.

The last thing I want to do is kill the initiative of anyone who desires to promote the interest of Masonry, but at the same time it is my duty and responsibility to weigh the consequences of any significant act which I may authorize or make as Grand Master. Of course anything which I do may be countermanded by the Grand Lodge at its next Communication.

When you first outlined your proposal, my reaction was "This is great," and frankly I would like to know the answers to a lot of the questions in the proposed survey; but I am afraid the answers to these questions in the hands of some liberal intellectual in the Sociology Department at Duke University could be catastrophic to our fraternity. Perhaps I am a little "gun shy," but I was a defendant in a recent lawsuit instituted and financed by one of the departments at Duke University. I believe there are more men of good will than there are otherwise, but I know that there are some left-wing radicals at Duke, and equally as large a number at my alma mater at Chapel Hill, who would love to get their hands on the answers to the proposed questions in order to ridicule and portray our beloved fraternity in a contemptuous, scurrilous and disdainful way and

manner. At the same time, the answers to these questions could reveal that a number of our members, whose names would be anonymous, are guilty of unMasonic conduct and perhaps the answers to some questions would subject the anonymous individuals to expulsion, so that thereafter, we would have those among our number which should be expelled but whom we could not identify.

Therefore, all things being considered, the contingent evils far outweigh the good which we may hope to receive from any such project. The opportunities for us to exemplify the teachings of our fraternity are so enumerable, I do not believe that we should "cast our pearls before swine," and thereby run the risk of being humiliated, ridiculed and bemocked by those who would destroy us.

I trust that you will not let this unofficial opinion dampen your zeal for the fraternity, and I sincerely appreciate all of your efforts for the good of the Craft.

Sincerely and fraternally yours,
William L. Mills, Jr.

UNOFFICIAL OPINION NO. 4

Not ready for publication at press time.

DECISIONS AND OFFICIAL OPINIONS

Regulation 9-02 of the CODE requires the Grand Master to report to the Grand Lodge all decisions and official opinions.

I was not called upon to make any decision as defined by the CODE during my term as Grand Master, but I did render six Official Opinions hereinafter set forth, to wit:

OFFICIAL OPINION NO. 1

The question has been presented by several members of the Grand Lodge as to whether alcoholic beverages may be served at or during a "social hour" or at any other gathering sponsored by or held under the auspices of the Grand Lodge of North Carolina or by any of its boards or committees.

Regulation 49-03 (3) of the CODE provides that "A lodge shall not, by any pretext, or for any purpose, or by any subterfuge introduce intoxicating liquors or beverages, or permit their use as a beverage on any of its premises, or shall it rent any of its premises to anyone who thereon sells intoxicating liquors with the exception of a pharmacist."

The Grand Lodge of North Carolina in its wisdom has forbidden the use of intoxicating liquors or beverages in any way or manner whatsoever by a subordinate lodge on any of its premises. The CODE makes no distinction between premises owned by a subordinate lodge and premises rented by a subordinate lodge under either a long or short-term lease.

It is inconceivable to think or contend that the Grand Lodge of North Carolina ever intended to impose upon the members of the Craft any restraint in the use of alcohol or to make any rule or regulation regarding the use of alcohol which it did not expect to honor and obey.

It would, therefore, be improper for any Grand Lodge officer, board or commission to introduce any intoxicating liquor or beverage at any meeting sponsored by or held under the auspices of the Grand Lodge of North Carolina.

IT IS, THEREFORE, ORDERED that no intoxicating liquor or beverage shall be permitted upon any premise owned, leased or under control of the Grand Lodge of North Carolina nor shall intoxicating liquor be used as a beverage at any meeting sponsored by or held under the auspices of the Grand Lodge of North Carolina or by any of its officers, boards or commissions.

OFFICIAL OPINION NO. 2

Inquiry has been made by the Master of a subordinate lodge as to whether or not there will be a group tour, foreign or domestic, sponsored by the Grand Lodge of North Carolina during the 1974-75 Masonic year.

Since the Annual Communication of the Grand Lodge of North Carolina in 1973, I have been contacted personally, by telephone and through the mail, on numerous occasions by no less than four different travel agencies endeavoring to sell me on a group tour to be sponsored by the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina for "the benefit" of Masons in North Carolina. "Offers" have been made for free trips on other tours and free passage on tours to be sponsored by the Grand Lodge to be assigned to individuals designated by the Grand Master and/or a percentage of the profits to be paid to the Grand Lodge, the Oxford Orphanage, the Masonic and Eastern Star Home, or such other person or organization as the Grand Master may designate.

Regulation 49-03 (7) of the CODE reads: "No lodge shall permit the use of its roster or membership or any part thereof for business or political purposes, nor for any solicitation whatever that is not strictly Masonic . . ."

Regulation 49-03 (11) reads: "The holding or sponsoring by a lodge of fairs, bazaars, or gift enterprises of any nature for gain is prohibited notwithstanding the proceeds may be contributed to charitable objects."

Regulation 49-04 (1) reads: "No lodge shall engage in any commercial enterprise or business of like nature . . ."

Regulation 97-02 (44) cites the following as a Masonic offense: "To use the Masonic name, emblems, or devices, or the faith and credit of Masonry for secular business or political purposes . . ."

It is true that at no place does the Masonic CODE specifically say the Grand Lodge of North Carolina shall not sponsor group tours to enable the less affluent brothers to travel at a lower cost to beautiful and exotic places they may not otherwise have the privilege to visit, but one must bear in mind the fact that the "tourist" business, as it is known today, is one of the most competitive, highly specialized enterprises in existence.

The same tactics and procedures are used to attract the business of Masons as is used by other business enterprises to obtain business, including the establishment of hospitality suites at the Grand Masters

conferences. For the Grand Master of Masons to endorse any particular tour, regardless of what the motive or excuse may be, would be no different than for the Grand Master to endorse any other product, piece of merchandise or business enterprise which may be offered to the Craft at a "bargain price."

I am of the opinion that is it not only contrary to the principles and precepts of Masonry to engage in such activity, but also contrary to Masonic law.

IT IS, THEREFORE, ORDERED that there shall be no tour of any kind endorsed or sponsored by the Grand Lodge of North Carolina until such time as the CODE, Constitution and Regulations are amended to provide for such activities.

OFFICIAL OPINION NO. 3

To: The Master of Stokes Lodge No. 32, A. F. & A. M.:

It has been brought to my attention that Stokes Lodge No. 32 conferred the Entered Apprentice Degree upon a petitioner accepted to receive the degrees of Masonry on Monday evening, July 15, 1974, without having anyone present capable of delivering the lecture on the first degree, and that the lodge was closed without the petitioner's having been lectured on the Entered Apprentice Degree.

Regulation 79-22 provides that "A degree shall be completed at the same communication at which it is commenced unless an emergent communication is merged with a stated communication, and then it shall be completed before the lodge is closed," and Regulation 79-35 provides that "A degree shall not be complete until every section has been conferred, the lecture given in full, and the charge delivered."

Such irresponsible modes of operation pensively reflect upon the leadership of the lodge and cannot effect a favorable impression upon the candidate.

The CODE also places the duty and responsibility upon you as Master "to guard carefully against any infraction of . . . the laws of the Grand Lodge, or the general regulations, usages and customs of Masonry . . ." 67-10 (7), and "to make the work and ritual practice in his lodge conform to the authorized work adopted by the Grand Lodge . . ." Regulation 67-10 (10)

You, therefore, are admonished to familiarize yourself with all of the provisions of the CODE which you as Master are obligated to know and to see that the provisions of the CODE are strictly complied with at all times in the future.

OPINION AND ORDER

I am of the opinion that the candidate who received the Entered Apprentice Degree without having been lectured should not be passed to the Degree of Fellowcraft until he shall have witnessed the conferral of the Entered Apprentice Degree upon another candidate and he shall have been lectured and charged on the Entered Apprentice Degree along with the candidate upon whom he witnessed the conferral of said degree.

IT IS, THEREFORE, ORDERED that Stokes Lodge No. 32 shall forthwith arrange to have the candidate whom it initiated on

the 15th day of July, 1974, without having been lectured brought into the lodge after it has been opened on the Entered Apprentice Degree and seated where he can observe the conferral of the Entered Apprentice Degree and that said candidate thereafter be lectured and charged on the Entered Apprentice Degree along with the candidate then being initiated.

In the event Stokes Lodge does not have a candidate ready to receive the Entered Apprentice Degree within ninety (90) days from the date of this Order, Stokes Lodge shall, at its expense, take the candidate to a sister lodge conferring the Entered Apprentice Degree and arrange to have the candidate witness the conferral of the Entered Apprentice Degree as hereinbefore set forth and thereafter be lectured and charged, as a courtesy, by the sister lodge.

IT IS FURTHER ORDERED that the record shall show the candidate as having been initiated on the date upon which he shall have witnessed the conferral of the Entered Apprentice Degree and received the lecture and charge.

IT IS FURTHER ORDERED that this Opinion and Order be read in the lodge at the next stated communication following its receipt, recorded in the minutes of the lodge for that communication, and that a marginal note be made on the minutes of the communication of July 15, 1974, setting forth the fact that the neglected brother was not initiated until a later date, referring to this Order and the date it is recorded in the minutes.

OFFICIAL OPINION NO. 4

To: The Grand Secretary and the Master of Fulton Lodge No. 99, A. F. & A. M.:

A letter from the Grand Secretary dated July 11, 1974, together with a copy of a letter from Brother T. W. Summersett, Jr., Secretary of Fulton Lodge No. 99, dated July 10, 1974, to the Grand Secretary regarding Thomas Franklin Holman, has been received.

It appears that Thomas Franklin Holman was rejected by Andrew Jackson Lodge No. 576 for the degrees of Masonry on September 14, 1972. Thereafter, Fulton Lodge No. 99 received a petition from Thomas Franklin Holman dated February 28, 1974, which was read in Fulton Lodge on March 1, 1974, and sent to the Grand Secretary for checking and recording on March 2, 1974. The petition was approved by the Grand Secretary and returned to the Secretary of Fulton Lodge on March 4, 1974. The petitioner was elected to receive the degrees of Masonry by Fulton Lodge on April 5, 1974. He received the Entered Apprentice Degree on May 3, 1974, the Fellowcraft degree on June 21, 1974, and is now awaiting the Master Mason Degree.

It further appears that Fulton Lodge No. 99 and Andrew Jackson Lodge No. 576 have concurrent jurisdiction.

Regulation 47-17 provides that "A petitioner for the degrees rejected by a lodge having concurrent jurisdiction cannot petition another lodge of the same concurrent jurisdiction within two years following the date of his rejection."

Regulation 78-04 provides "(T)hat a petitioner for the degrees rejected by a lodge having concurrent jurisdiction cannot petition

another lodge of the same concurrent jurisdiction within two years following the date of his rejection . . .". Therefore, the petition of Thomas Franklin Holman should not have been received by Fulton Lodge No. 99 prior to the 14th day of September, 1974.

If the petition were properly completed, and I assume it was, it should have revealed that the petitioner was rejected by Andrew Jackson Lodge within two years of the date that he petitioned Fulton Lodge No. 99. It appears, therefore, that Fulton Lodge No. 99 inadvertently received and read the petition on March 1, 1974, and transmitted the same to the Grand Secretary who inadvertently approved the petition on March 4, 1974. The Master and Secretary of Fulton Lodge No. 99 and the Grand Secretary should have been familiar with the provisions of the CODE and should have detected the facts which disqualified the petitioner and rejected the petition. For their failure so to do, they are each hereby admonished to carefully examine each and every petition in the future to make sure that none is received except in strict compliance with the law.

The candidate, Thomas Franklin Holman, received the Entered Apprentice Degree on May 3, 1974, and the Fellowcraft Degree on June 21, 1974, which cannot in any way be taken from him.

It further appears that Andrew Jackson Lodge has been fully informed in the premises and that said lodge does not object to his having received the Entered Apprentice and Fellowcraft Degrees, and has no intention of preferring charges against the petitioner.

OPINION AND ORDER

Based upon the foregoing findings of fact, I am of the opinion that it is in the best interest of all concerned that the petitioner, Thomas Franklin Holman, should have the Master Mason Degree conferred upon him as soon as he is ready to receive the same.

IT IS, THEREFORE, ORDERED that Thomas Franklin Holman is and shall remain the property of Fulton Lodge No. 99 and that Fulton Lodge No. 99 shall confer the Master Mason Degree on Thomas Franklin Holman as soon as he is prepared to receive the same.

IT IS FURTHER ORDERED that this Opinion be read in Fulton Lodge No. 99 at the next stated communication following its receipt and recorded in the minutes of the lodge of that particular communication.

OFFICIAL OPINION NO. 5

Many questions have been presented by several Masters of subordinate lodges and several Grand Lodge Officers regarding the appropriations, handling and disbursement of funds for charitable purposes by the Grand Lodge.

LAWS PERTAINING TO CHARITY

Chapter 5, Section 5-05, of the CONSTITUTION provides:

"The charity fund shall consist of all moneys received for such fund together with all other moneys or property set aside or appropriated for charitable purposes by the

Grand Lodge, or given to it directly or indirectly for general charitable purposes."

Regulation 54-01 (2) of the CODE provides:

"1. Each lodge, including lodges under dispensation, shall pay annually to the Grand Secretary, for the use of the Grand Lodge, the sums hereinafter specified: . . .

"2. The sum of eleven dollars for each Entered Apprentice initiated by or for the lodge, whether initiated therein or by another lodge for it as a courtesy, *ten dollars of which is for charity* (emphasis added) and one dollar is an initiation fee to be applied to the general fund."

Regulation 38-10 provides that:

"The Committee on Charity shall consist of one member appointed annually. His duties shall be as follows:

"1. To investigate all applications for assistance from the charity fund of the Grand Lodge, and to draw upon the same through the Grand Secretary for such amounts as in his judgment are necessary.

"2. To report to the Grand Lodge annually all disbursements made by him during the calendar year."

The preamble to the Constitution and Regulations of the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, reads in part as follows:

"III. DECLARATION OF PRINCIPLES: Pursuant to the settled policy of this Grand Lodge to define and reaffirm, from time to time, certain of the fundamental principles and rules of conduct governing the practice of Freemasonry in this Masonic jurisdiction, it is declared that:

* * * *

"2. Freemasonry is a charitable society in that it is not organized for profit and none of its income inures to the benefit of any individual, but all is devoted to the promotion of the welfare and happiness of mankind.

"3. It is benevolent in that it teaches and exemplifies altruism as a duty."

FACTS INVOLVED

It does not appear that a Charity Fund, as required by the Constitution, is in existence. It further appears from the record that 2,598 applicants received the degree of Entered Apprentice in the year 1972 and 2,296 in the year 1973, and that the Grand Lodge Secretary received from the subordinate lodges the sum of \$11.00 for each candidate so initiated amounting to \$28,578.00 for 1972 and \$25,256.00 for 1973, no part of which was set aside for charitable purposes and/or transferred to a "Charity Fund."

OPINION AND ORDER

Based upon the foregoing laws and findings of fact, I am of the opinion that Section 5-05 of the CONSTITUTION requires the establishment of a "Charity Fund"; otherwise, the Committee on

Charity which is required by Regulation 38-10 (1) "To investigate all applications for assistance from the *charity fund* (emphasis added) of the Grand Lodge . . ." has no source from which to satisfy its obligation.

IT IS, THEREFORE, ORDERED that a Charity Fund be established forthwith by the Grand Secretary and Grand Treasurer and that all moneys hereafter received for charitable purposes and all moneys set aside, appropriated or given directly or indirectly to the Grand Lodge of North Carolina for general charitable purposes be deposited in a "Charity Fund" until such time as the laws shall be changed to provide otherwise.

OFFICIAL OPINION NO. 6

To: The Master and Secretary of Tabor Lodge No. 563, A. F. & A. M.:

It has been brought to my attention that at the Stated Communication of Tabor Lodge No. 563 on October 22, 1974, the Petition for the Degrees of Masonry of one Terry Wayne Long was read; that on November 26, 1974, said Terry Wayne Long was elected to receive the degrees of Masonry and was initiated an Entered Apprentice on the 29th day of November 1974, without his petition having ever been transmitted to the Grand Secretary for certification, as required by The CODE.

Regulation 73-13 provides that "No lodge shall ballot on any petition for the degrees until the reports of the Grand Secretary . . . have been received by it."

Regulation 67-16 provides that:

"The duties of the Secretary shall be:

* * * *

"18. To report to the Grand Secretary within five days after each stated communication transactions if any, at such stated communication under each of the following subjects, giving the full name of each:

"A. Each petition for the degrees *received* and each petitioner for the degrees *elected*." (emphasis added)

It appears that the Master and Secretary of Tabor Lodge No. 563 are not familiar with the provisions of The CODE or else they have negligently failed to comply with the provisions thereof. Such careless modes of operation pensively reflect upon the leadership of the lodge and create conditions from which embarrassing consequences may result should the records of the Grand Secretary contain evidence which might disqualify the petitioner.

I am advised, however, that the records in this particular case are clear in the office of the Grand Secretary and that certification of the petitioner will be in order.

You, therefore, are admonished to familiarize yourselves with the provisions of The CODE which you should know and see that the provisions thereof are strictly complied with at all future times.

OPINION AND ORDER

I am of the opinion that the petitioner, Terry Wayne Long, is in no way responsible for the irregularity regarding his election to

PROCEEDINGS OF THE

receive the degrees of Masonry and that he has received the Entered Apprentice degree in due form which cannot be taken from him.

IT IS, THEREFORE, ORDERED that the Petition for the Degrees of Masonry by Terry Wayne Long be transmitted forthwith to the Grand Secretary for approval and upon proper certification by the Grand Secretary, the status of Brother Terry Wayne Long shall in all respects be that of an Entered Apprentice in Tabor Lodge No. 563 without the necessity of healing.

IT IS FURTHER ORDERED that the Grand Secretary make proper notation on the certificate to explain the delay in certification thereof.

IT IS FURTHER ORDERED that this Order be read in open lodge at the next Stated Communication of Tabor Lodge No. 563 following the receipt thereof, recorded in the minutes of the lodge for the communication and a marginal note be made in the minutes of the communication on November 26 and 29, 1974, referring to this Order and the date it was recorded in the minutes.

OFFICIAL OPINION NO. 7

Not ready for publication at press time.

GRAND SECRETARY

An era of faithful and dedicated service extending over a period of 15½ years ended on the 30th day of September, 1974, when M. W. Charles A. Harris retired as Grand Secretary of the Grand Lodge of North Carolina. The many contributions by our esteemed brother to the fraternity will be long remembered by thousands of Masons throughout the State of North Carolina to whom he was endeared and known as "Ole Charlie."

We congratulate you, Brother Harris, for a job well done.

Fortunate, indeed, are we to have had a faithful and dedicated brother fully able, capable and trained to assume the duties and responsibilities of this important office. The operations continued without interruption for a moment. W. Brother Robert P. Dudley assumed the duties of the office as acting Grand Secretary on the 1st day of October, 1974, and was installed as Grand Secretary on the 1st day of November, 1974. The efficient way and manner in which Brother Dudley has organized and conducted this Annual Communication and the preparation of the rosters, reports, agenda and other information for distribution is evidence of his enthusiasm and dedication to the Craft, and his ability to perform the duties of this office.

LODGES CONSTITUTED

My first official business as Grand Master was the constitution of Truth Lodge No. 749 at Monroe, North

Carolina, on Tuesday evening, April 23, 1974, at which time Brothers E. W. Treadaway was installed Master; Charles W. Belk, Senior Warden; Wiley K. Helms, Junior Warden; Donald W. Richardson, Treasurer; and Joe B. Tucker as Secretary.

On the following evening, Wednesday, April 24, 1974, it was my privilege to constitute Oak Grove Lodge No. 750 in the Oak Grove Community near Durham, North Carolina, and to install Brothers Lyman M. Johnson as Master; Samuel D. Vaughan, Jr., Senior Warden; Jack P. Dossett, Junior Warden; Robert M. Currin, Treasurer; and Alvis A. Matthews as Secretary.

The following evening, Thursday, April 25, 1974, I was privileged to constitute Old Town Lodge No. 751 in the Bethania Community of Forsyth County, North Carolina, and to install Brothers William J. Gaultney as Master; Boyd Adams Byrd, Jr., Senior Warden; Marvin D. Olson as Junior Warden, Robert E. Sorrels as Treasurer and Maurice E. Melton as Secretary.

LODGES INSTITUTED

It was my privilege to institute Enterprise Lodge, U.D., on the 20th day of August, 1974. This lodge is located at Arcadia (Route 2, Clemmons), North Carolina. Brothers Robert Samuel Hodges were designated as Master; William Steadman Kiger, Senior Warden; Roland Bennie Rumpfelt, Junior Warden; Olin Everett Saintsing, Treasurer; and Harry Eugene Hill, Secretary.

CORNERSTONES

Soon after my installation as Grand Master, on May 6, 1974, it was my privilege to lay a cornerstone in my home county for the Kannapolis Masonic Center, Inc., new home for Cannon Memorial Lodge No. 626, Allen-Graham Lodge No. 695, and South Gate Lodge No. 748 of Kannapolis, and my last official act as Grand Master on April 19, 1975, except for presiding over the Annual Communication of the Grand Lodge, was to dedicate this handsome new edifice.

Again, on the 11th day of January, 1975, I was privileged to lay a cornerstone for a new Masonic Temple for Relief Lodge No. 431 at Benson, North Carolina.

NEW TEMPLES DEDICATED

Four new Masonic Temples have been dedicated during the last twelve months.

On November 9, 1974, a handsome new edifice was dedicated for Cliffside Lodge No. 460 at Cliffside, North Carolina.

On November 20, 1974, a beautiful and efficient structure was dedicated for Pendleton Lodge No. 524 at Pendleton, North Carolina.

On March 1, 1975, a handsome edifice was dedicated at Mocksville, North Carolina, for Mocksville Lodge No. 134.

As indicated in my report on Cornerstones, as my last official act prior to this Annual Communication, it was my pleasure to dedicate a beautiful temple at Kannapolis, North Carolina, on April 19, 1975, for Cannon Memorial Lodge No. 626, Allen-Graham Lodge No. 695 and South Gate Lodge No. 748. South Gate Lodge is one of the two day-time lodges in North Carolina, the other being Meridian Lodge No. 728 in Charlotte.

COMMEMORATIVE STONE

Thanks to Brother Eddie P. Stiles, District Deputy Grand Master for the 26th Masonic District, the Grand Lodge of North Carolina placed a commemorative stone in the new Apex High School building on January 10, 1975. In spite of threatening weather, the ceremony was dignified and impressive. Many civic leaders attended the ceremony, including the Mayor of Apex, Mr. James Austin; Mr. Bill Booth, Chairman, and Mr. Richard Jenkins and Mrs. Susan Brinkley, members of the local Apex School Advisory Committee; Mrs. Mary Gentry, Chairman, and Mrs. Sue Byrne, Mr. James Atkins and Mr. Billy R. Johnson, members of the Wake County Board of Education; Mr. Harold Williams, principal of the Apex High School; and Brother Aaron Fussell, Superintendent of the Wake County Schools. This was a rare privilege not often witnessed in this day and age.

HICKORY LODGE NO. 343

M. W. Nathaniel C. Dean reported to the Grand Lodge at its Annual Communication in 1974 concerning an old controversy involving Hickory Lodge No. 343. The smoldering embers of this ugly controversy again broke into flames in August, 1974, at which time Hickory Lodge was considering the removal to new quarters. When this matter was brought to my attention, I directed a letter to the Master of Hickory Lodge which is included in this report under the heading Unofficial Opinions and Orders.

I am delighted to report to you that I have not heard one single murmur from anyone since August 26, 1974, regarding this old polemic, but on the contrary I have received many reports concerning the revitalized spirit of Masonry and enthusiastic cooperation among the members of the Craft in the Hickory area.

On December 9, 1974, it was my privilege to attend the 100th Anniversary of Hickory Lodge with more than 500 present. The spirit of friendship and brotherly love demonstrated at this meeting was in keeping with the true spirit of Freemasonry.

I congratulate these brethren for having restored peace and harmony in the quarry at Hickory.

MASONIC CHARITY

The cardinal virtues of our fraternity include brotherly love, relief (charity) and truth. In my opinion, there is a correlation between the "state of Masonry" in this and all other Grand Jurisdictions and the degree to which the precepts of Masonry are exemplified.

Ever since I have been a member of the Grand Lodge of North Carolina, the sum of \$2,000.00 has been included in our budget for "charity." Brethren, I submit to you that we cannot justify our existence by the appropriation of only \$2,000.00 to charity out of a budget of \$278,500.00.

There are those who will hasten to point out that we appropriate a total of \$30,000.00 to the Oxford Orphanage and the Masonic and Eastern Star Home (\$15,000.00 for each), which should be considered as charity. While I do not believe this contention should create a controversy, in my opinion, our forebears did not anticipate that the Oxford Orphanage and the Masonic and Eastern Star Home would be supported from the "Charity Fund" when the CODE was adopted. If this were true, \$22,960.00 of the \$30,000.00 appropriated for these two institutions during 1974 would have been paid by our Entered Apprentices.

We point with great pride to the fact that \$42,400.00 was paid to the Oxford Orphanage during 1974 by the North Carolina Masonic Foundation, and a like sum of \$42,400.00 was paid to the Masonic and Eastern Star Home from this Foundation, but let us not lose sight of the fact that all of this money came from a foundation set up and funded by our forebears without any effort or sacrifice whatsoever on our part.

We should also be cognizant of the fact that the corpus of this Foundation decreased \$200,346.94 in value during the year 1974. It is obvious that our economy is in the midst of a grave recession and that we may be headed for an extended depression. We, therefore, must exercise prudence in the distribution of our funds and above all we must be true to ourselves in keeping everything in the right perspective as we analyze our budget.

With these facts in mind, I issued an official opinion (No. 5) on the 29th day of July, 1974, and ordered that a Charity Fund be established as directed by the CODE and that all moneys received by the Grand Lodge for charitable purposes be deposited in this fund.

THE NORTH CAROLINA MASON

As Grand Master of Masons in North Carolina, I appeared before the Board of Publication at its first meeting after my installation on June 14, 1974, and expressed dissatisfaction as to both the quality and content of *The North Carolina Mason* and great concern over the publication cost thereof. I admitted to the Board that it was not responsible per se for the quality of the publication which is printed in the Oxford Orphanage print shop, but that it was the Board's duty to call attention to the proper officials the fact that the quality of the publication was not satisfactory so that appropriate measures could be taken to correct and improve the product.

As to content, I suggested to the Board that it could be greatly improved. I do not profess to be an editor or publisher; therefore, I did not try to tell the Board how this feat should be accomplished but made certain suggestions, including the possibility of designating a reporter or public relations man (perhaps the DEC) in each Masonic district who could report on all significant meetings in the district and the outstanding events involving Masons and Masonry. I also pointed out the fact that we were in need of someone to act as public relations director for both the Oxford Orphanage and the Masonic and Eastern Star Home and suggested that perhaps these duties may be interconnected and that a person trained in this type of work should be able to make substantial contributions to these institutions and the Grand Lodge at a substantial saving.

In recent years the Grand Master has been accompanied by the Superintendent of the Masonic and Eastern Star

Home and the Oxford Orphanage to the several district meetings throughout the State or else these officials have made independent trips to the several districts at other times. These visitations have been of great value to the several institutions, the Grand Lodge and the subordinate lodges; but times have changed and continue to change, and this practice has created serious consequences with which we have been confronted throughout the past year. For example, an \$18,000.00 or \$20,000.00 a year Superintendent or Administrator cannot properly supervise and perform the duties necessary to operate an orphanage or a home for the aged from the shores of the Atlantic Ocean or the mountains of North Carolina. In order to run a "tight ship," the captain must be on board. I do not mean to insinuate that the officials of these institutions should not attend such meetings. On the contrary, I think they should attend every Masonic meeting that they possibly can without interfering with the duties and responsibilities of the job for which they have been employed, but the days and nights away from home and away from their work should be minimized.

Addition of the editor for *The North Carolina Mason* to this traveling group creates an additional financial burden which is difficult to justify. As to the cost and expense involved, let us examine the record.

The Grand Lodge budget for last year provided for a salary of \$12,000.00 for the editor, retirement benefits of \$1,200.00, travel expense of \$1,800.00, compensation insurance premiums in the sum of \$150.00 and Social Security taxes in the sum of \$702.00. This makes a total of \$15,852.00. There are only 12 issues of *The North Carolina Mason* published each year (one each month), which means that we are paying directly or indirectly the sum of \$1,321.00 to have each issue of this paper edited.

To my knowledge, there has never been an edition which contained more than 8 pages (9" x 12" in size). I admit that the amount we are paying our editor is not sufficient to support a family on a respectable level in our present economy, but it is an exorbitant amount to pay for editing twelve editions of an 8-page paper 9" x 12" in size and \$35,000.00 is an exorbitant amount to pay for printing twelve editions of an 8-page paper which is read no more than *The North Carolina Mason*. From the many comments

I have heard from brethren across the entire State of North Carolina in position to know, it has been estimated that from $\frac{2}{3}$ to $\frac{3}{4}$ of *The North Carolina Mason* delivered to Post Office boxes never leave the Post Office building. This is a waste we can ill afford.

I was not present at the 1966 Annual Communication of the Grand Lodge until time for the installation of officers, but according to the proceedings, a resolution was adopted at the Communication which provided, among other things:

Third, That the Oxford Orphanage Printing Department shall be charged with the responsibility of printing, publishing, and distributing the proposed publication, which shall be of a sixteen-page, magazine-type, measuring approximately nine by twelve inches;

At this same Annual Communication, Regulation 54-01 (1) of the CODE was amended whereby the per capita tax was increased by \$1.00. I am advised by those present that this recommendation was approved upon representation and with the understanding that 50c of this increase per capita tax would be allotted to and used for the publication of *The North Carolina Mason*.

In any event, the budget adopted by the Grand Lodge at its Annual Communication in 1967 provided an account no. 926 for *The North Carolina Mason* in the sum of \$1,000.-00. Like creeping paralysis, this budgeted amount has increased year by year until it reached the sum of \$49,400.00 in 1974. This was approximately 28% of the entire Grand Lodge budget for 1974, and the Board of Publication has requested an even larger sum for the ensuing year.

After its meeting on June 14, 1974, the Board of Publication next met on September 13, 1974. I did not attend this meeting, but the Board sent me a copy of the minutes which read in part as follows:

Editor Davenport then read a letter which he had addressed to the Board of Publication concerning the various aspects of the publication from his standpoint as editor. A copy of the letter is attached to the minutes of this meeting. After a detailed discussion of the contents of the letter, Brother Kafer then made a reference to the history of the Board of Publication, of which he has been a member since its creation, and he recalled some of the difficulties involved in the earlier days of the publication when, as he stated, the contents of *The North Carolina Mason* seemed to be somewhat above the level of interest of the average Mason in North Carolina and he recalled the struggles which ensued

to bring about an improvement in the paper. He pointed with pride to the tremendous improvement that had been made in the publication since the employment of the present editor. At the conclusion of these remarks the Board voted unanimously to extend an expression of confidence in behalf of the editor and the work that he is doing.

The copy of the minutes transmitted to me did not have attached thereto a copy of the letter referred to in the minutes; therefore, I requested a copy of the letter which reads as follows:

September 13, 1974

Board of Publication
The North Carolina Mason
Brethren:

Some weeks ago I was approached by two Masonic Brothers, friends of long standing, who told me of a rumor they had heard and which had greatly concerned them. They would not divulge the source of the rumor, and they would not permit use of their names, but they agreed that I could repeat the rumor. What they told me is basically as follows: I, as editor of the paper, have been unresponsive to the board and to the Grand Masters with respect to suggestions concerning content and format; my salary is exorbitantly high; I have spent large sums of Grand Lodge money for cameras and other items which were not needed or authorized; I work the equivalent of less than one week per month.

I regard certain portions of the rumor as an attack upon my integrity. I have never before had my integrity questioned in Masonry, in business, or in any other activity, and this attack has been a cause of great worry to me.

I do not know if any of this has reached members of the board. If so, I sincerely trust that your opinion of me is such that you have not given credence to the rumor. Nevertheless, with such a rumor in circulation I feel it essential that you be furnished pertinent information and I am attaching several pages of such information. Some of it could be interpreted as complaining, but I assure you this is not the intent; I merely felt it essential to a complete presentation. I am quite happy with my treatment by this board and would promptly let you know if I was not.

From habit long ago acquired in the business world I have maintained detailed records of all my expenditures, whether they involved my money or Grand Lodge money. I always bring these records to board meetings and will welcome any inspection of them.

Sincerely,
Reynold

Brethren, I assume the rumor referred to in Brother Davenport's letter was not a rumor at all but the statement which I made to the entire Board of Publication on June 14, 1974. My remarks were not intended as an attack on the character or integrity of Brother Davenport. My sole

purpose and intent was to state the facts as I see and find them.

Since the meeting of the Board of Publication on September 13, 1974, I have not been furnished with a copy of any minutes for other meetings held by the Board.

In order to deal fairly with the Board of Publication, I have endeavored to provide it with an opportunity to do something so that I may avoid having to call this matter to your attention.

Early in March (I believe it was on March 5, 1975), I contacted Brother William E. Fulmer, Chairman of the Board, and outlined to him my position concerning this matter, and informed Brother Fulmer that unless the Board came up with some positive plan for improving the publication and reducing the expense involved, I would be compelled to bring this matter to the attention of the Grand Lodge and to make recommendations in connection therewith.

The Board having failed to act, I recommend that the Grand Lodge abolish the Board of Publications and in lieu thereof take immediate steps to establish a Board of Public Relations. I believe that such a Board should be charged with the responsibility of providing public relations for the Grand Lodge of North Carolina, the Masonic and Eastern Star Home of North Carolina, Incorporated, and Oxford Orphanage, as well as the publication of a magazine of such dignity and quality as to make every Mason in this Grand Jurisdiction justly proud.

I further recommend that a man educated and trained in the field of public relations be employed as Director of Public Relations to implement such a program; and in order to reduce expenses for the immediate future, I further recommend that we resort to a bi-monthly publication and concentrate on quality until such time as the potentials of the Director can be developed to justify a return to a monthly publication.

I would also recommend that consideration be given the idea of dividing the cost of such a project between the Grand Lodge, the Oxford Orphanage and the Masonic and Eastern Star Home of North Carolina, Incorporated. The overall expense of such a program may cost more than the Grand Lodge is now paying for what it is getting, but I am of the opinion that a professional in this field could and

would accomplish great things for all three organizations at far less expense than the combined cost which the Grand Lodge is now paying for *The North Carolina Mason* and the Masonic and Eastern Star Home of North Carolina, Incorporated, and the Oxford Orphanage have heretofore been paying for their public relations, if the salary of those representing these institutions is prorated and added to the actual expenses which have been incurred by the Home and the Orphanage for the trips made by their representatives.

RECOMMENDATIONS FOR AMENDMENTS TO THE CODE

As indicated in my report concerning the district meetings, many questions were posed by the brethren which demonstrated justifiable displeasure and resentment over the customs and practices of the Grand Lodge in making appointments to the line and the various boards, committees and commissions of the Grand Lodge. Some of the questions asked were as follows:

Just how do you determine who shall be appointed to the Grand Lodge line?

Why has no one from this section of the State ever been appointed to the Grand Lodge line?

Why isn't someone appointed to the Board of Directors at either the Home or the Orphanage from this area?

Why is the Masonic leadership concentrated in certain areas of the State?

One does not have to be very intelligent to realize the motivating factors for these questions or the answers thereto. We have a wealthy reservoir of talent in this Grand Jurisdiction which has never been tapped. At the same time, many offices are filled with good Masons who have no talent, experience or training whatsoever for the job expected of them. One thing we should all bear in mind is that having been a Master of a lodge or Grand Master of Masons in North Carolina does not qualify a man to do all things — to serve on every board, committee or commission of the Grand Lodge of North Carolina. Before intelligently making such appointments, a careful study should be made in order to determine just what is expected by the particular job and then an individual with the appropriate talent, qualifications and experience should be sought to fill the particular position. I do not believe that there are many men in the State of North Carolina capable of

making all of the appointments expected of a Grand Master so that the most qualified person available will be appointed with representation in all sections of the State. I believe that I traveled throughout the State, prior to my election as Grand Master, perhaps more extensively than most Grand Masters in recent years, and I know for a fact that I was totally incompetent to fulfill this task. I, therefore, sought advice and suggestions from others and endeavored to obtain as much information and intelligence as possible about the various parties recommended and their qualifications, experience and ability before making my appointments.

With few exceptions, those whom I appointed have served in an exemplary way and manner, and I appreciate the way they have performed and the cooperation and support which they have given me as Grand Master. On the other hand, there have been three vacancies on the Board of Directors at the Oxford Orphanage since August by reason of amendment to the CODE in 1974, which have not been filled for the reasons herein set forth. I do not profess to know the answer to this particular problem, but I submit to you, my brethren, that the exigencies thereof demand the thoughtful consideration of our most capable and qualified leaders.

I do know that in many instances where the CODE provides for nomination by the Board of General Purposes that this duty and responsibility has been abandoned to the Grand Master-Elect. This should not be. If the Board of General Purposes will not assume this duty and responsibility placed upon it, then perhaps the CODE should be amended to provide for a Nominating Committee.

In the meantime, I believe that there are certain steps which we can and should take in order to provide a certain degree of continuity from year to year to the board of directors of our corporations, and to more evenly distribute representation to the various boards, committees and commissions throughout the State. I am also of the opinion that steps should be taken so that changes may be made on the several boards, committees and commissions without hurting the feelings of a good brother who should be removed.

To this end and for the reasons stated, I recommend the following amendments to the CODE, to wit:

**REVISE REGULATION 33-04 IN ITS ENTIRETY

RECOMMENDATIONS REGARDING FINANCES

During the course of my district meetings, many questions were asked concerning the operating expenses and budget for the Grand Secretary's office. Those making these inquiries noted that the budget merely provides for a lump sum figure to cover office and administrative salaries. The brethren were informed that they were entitled to a breakdown and the Assistant Grand Secretary was instructed to mail such to those who desired the same.

I do not believe it prudent for us to publish in our proceedings, which are mailed throughout the world, the salaries of our various employees; but I do believe that this information should be made readily available to every member of this Grand Lodge. I, therefore, have directed that a breakdown of this account be included in the Reports and Rosters distributed at the Annual Communication of the Grand Lodge but that it be omitted from the proceedings when published.

The latter part of December I spent two days and one night in the Grand Lodge office examining every voucher and check drawn on the Grand Lodge account during the year 1974. In many instances there was no similarity between the purpose for the particular voucher and/or check drawn and the account to which it was debited. It is also impossible for one to look at the budget for 1974 and prior years and determine the approximate amount budgeted for philanthropy (charity, the Home, the Orphanage, De-Molay, Rainbow Girls, etc.), for salaries, costs of administration, maintenance of the buildings and grounds, membership fees and dues, travel and office expenses of Grand Lodge officers, the boards, committees and commissions, etc. I, therefore, outlined a new series of accounts with new headings and prepared a commentary to accompany the proposed new budget, outlining the particular expenses which should be charged to each account. This proposed budget, together with the commentary, was presented to the Finance Committee, which adopted the suggestions in preparing the budget for the calendar year 1975 and a budget for January 1 through April, 1976. By use of this new system, we can more readily ascertain exactly what is authorized and what is expended for various purposes.

The audit for the year ending December 31, 1974, revealed a surplus in the sum of \$42,977.40; therefore, on March 5, I directed, after conferring with the Chairman of the Finance Committee, that the sum of \$15,000.00 be transferred from the surplus to the Grand Lodge Building Reserve Account. The sum of \$25,000.00 has been expended since the last Annual Communication for a new roof, repairs and renovations to the Grand Lodge building. After the transfer, we still have a surplus of \$27,974.40.

We are at present in the midst of a serious recession which appears to be headed for an extended depression. The Grand Lodge of North Carolina, therefore, should do everything possible to fortify its financial position for an austere economy while hoping and praying that we shall be spared such an experience.

We are indeed fortunate to have had prior Grand Masters with sufficient foresight to establish a Special Contingency Fund which presently contains the sum of \$16,019.24. To further bolster our financial position during this crucial period of time, I recommend that the additional sum of \$15,000.00 be transferred from the General Surplus to this Special Contingency Fund. I further recommend that the expenditure of moneys in this Special Contingency Fund be restricted, without exception, to authorization by the Grand Lodge for specific purposes. By so doing, we would have a "nest egg" containing \$31,019.24 for unforeseen emergencies which may lurk in the future, with a general surplus of \$12,977.40 for unforeseen expenditures necessary in the immediate future.

CONCLUSION

As I picked up my pen to write a few closing lines for this report, I was handed the March, 1975, bulletin of the Masonic Relief Association of the United States and Canada. A headline which reads, "Advancing Age Becoming Factor," attracted my attention. This article said that a recent survey revealed that 20% of the Masonic members in the largest State in our union (population-wise) are over 70 years of age; 46% are over 60 years of age; 73% over 50 years of age; and only 1.38% below 30 years of age.

Brethren, the handwriting is on the wall. The future belongs to those who are willing and ready to pay the pur-

chase price therefor. A future that will countenance and nourish the precepts of Freemasonry will never be realized without aggressive leadership at all levels of Masonry by dedicated Masons. Such a future cannot be acquired on a convenient credit plan; by a delegated consignment to others; by a brilliant franchise arrangement; by oratory without exemplification; or in any other way or manner except by a strict adherence to the tenets of our order under competent leadership.

The comprehensive condition of the Craft in this Grand Jurisdiction is good. Enthusiasm is exceedingly high, especially in the small cities and communities of our State. Many young men are knocking at the door of our fraternity, but if this trend is to continue, we must provide the youth of our State with proper counsel, guidance and example, and we must involve and continue to guide, counsel and direct the new members of the Craft by both word and deed.

Brethren, while I do not approve of the method for selecting Grand Masters in this Grand Jurisdiction, I am indeed grateful and wish to express to you my most heartfelt thanks for your vote of confidence and for the opportunity to have served as your Grand Master during the last twelve months. I appreciate the cordial welcome and enthusiastic receptions and many courtesies extended to me as I have traveled throughout the State. I also want to thank the Grand Lodge officers for the backing and support which they have given me throughout the year.

One in such a position as I now find myself runs the risk of omitting someone who should be remembered when he starts thanking individuals, but I must assume this risk and acknowledge with grateful appreciation the contribution which the Board of Custodians has made to the Grand Lodge during the last year under the guidance of Brothers J. Earl Watson as Chairman and E. Floyd Dunn as Secretary.

Brother James G. Johnston as President of the Board of Directors of the North Carolina Masonic Foundation has served in an exemplary way and manner, for which we are extremely grateful.

As Chairman of the Grand Lodge Committee on Permanent Building and the Grand Lodge Finance Committee,

Brother Berl M. Kahn has been most helpful. To him I shall ever be grateful for his efforts and devotion to duty.

Brother I. Boyd Hopkins has performed above and beyond the call of duty as Chairman of the Committee on Masonic Education. To him the entire Grand Lodge is indebted for the best Masonic education program in the nation.

As always, Brother Robert L. Pugh has responded to every call to duty, and I am especially grateful for his preparation of the memorial for our deceased Past Grand Master, Edwin T. Howard.

The professional services rendered this Grand Jurisdiction by Brother William T. Hatch as Judge Advocate and as Chairman of the Lodge Service Commission are inestimable.

For the advice and good counsel of Brother G. Dudley Humphrey, Chairman of the Committee on Masonic Jurisprudence, and Brother Louis W. Shrier, Chairman of the Code Commission, I shall ever be grateful.

The DeMolay Committee, Brothers Hiram J. Casebolt, E. Edward Austin, Frederick H. Trethewey, Charles B. Winberry, Jr., and Dallas Holoman, Jr., have worked hard to accomplish the goals established for DeMolay. For their devotion to duty and untiring efforts, I am sincerely grateful.

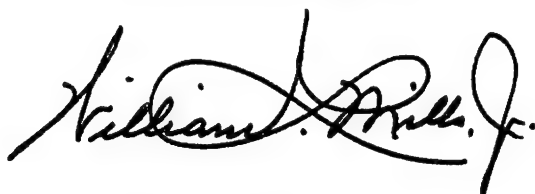

Every District Deputy Grand Master, District Deputy Grand Lecturer, Education Chairman, and each Chairman and member of every other standing and special committee of the Grand Lodge pledged his support to me at the beginning of my administration, and they have responded to every call and performed the duty expected and required of them, for which I am profoundly thankful.

Brethren, I realize my limitations and inadequacies to cope with and to execute all of the duties and responsibilities of this great and important office. I beg both your and God's forgiveness for the mistakes which I have made, and it is my humble prayer that God Almighty will continue to bless this Grand Jurisdiction and each subordinate lodge thereof.

May we be granted the wisdom, strength, ability and desire to execute each assignment to us by the Grand Archi-

tect of the Universe in His magnificent plans for eternity, with pride, dignity and honor, so that we may be greeted at the end of our labor with those welcome words: "Well done, good and faithful servant, enter thou into the joy of thy Lord."

Respectfully submitted,

SUPPLEMENT TO THE REPORT OF THE GRAND MASTER

UNOFFICIAL OPINION NO. 4

(I am informed that the Federal Communications Commission requires that a channel be made available to the general public in cities where cablevision service is authorized. I am further advised that much of the material shown on this channel is "garbage." On or about the 4th day of March, 1975, I received a request from Brother J. S. Longdon in Greensboro, North Carolina, to approve the showing of certain film strips produced by the Scottish Rite Bodies for presentation to the general public. My response is set forth in the following unofficial opinion.)

March 17, 1975

Mr. J. S. Longdon
201 Homewood Avenue
Greensboro, North Carolina 27403

Dear Brother Longdon:

I have considered and discussed the matter about which you talked with me over the telephone on the evening of March 3, 1975, and about which you wrote me on March 4, 1975; and I know of no reason why we should not pre-empt all the time we possibly can on any television cable available to the public for the showing of worthwhile films in order to preclude the "filth and garbage" which may otherwise be shown. I not only approve, but would encourage it by furnishing the stations with any material which the Shrine, Scottish Rite Bodies or any other Masonic-related bodies may have designed for presentation to the general public.

I do not know of any films commissioned by the Grand Lodge of North Carolina; therefore, it would be improper to show any film

as being sponsored and/or approved by the Grand Lodge of North Carolina unless and until such be the case.

Your interest and endeavors in this worthwhile project is appreciated.

Sincerely and fraternally yours,
William L. Mills, Jr.

OFFICIAL OPINION NO. 7

April 18, 1975

W. John W. Berryhill, Jr.
Master
St. John's Lodge No. 1, A. F. & A. M.
Post Office Box 653
Wilmington, North Carolina 28401
Dear Brother Berryhill:

I am in receipt of your letter dated April 16, 1975, in which you state that the status of a candidate upon whom the Entered Apprentice Degree was conferred at an Emergent Communication of St. John's Lodge No. 1 on the 25th day of March, 1975, has been questioned.

It is my understanding that in preparing the candidate for the degrees of Masonry it was noted that he was wearing two rings — a wedding band and another ring; that when the candidate was requested to remove the rings, he readily removed one ring without any difficulty but expressed the desire that he not be required to remove the wedding band which he had been wearing continuously since 1946; and that upon attempting to remove the wedding band, it was determined that it was impossible to get the band over his knuckle. The Senior Deacon returned to the lodge room and reported to the Master these findings; whereupon M. W. G. Dudley Humphrey and W. Louis W. Shrier were asked to repair to the preparation room and to report their findings and recommendations; that M. W. Brother Humphrey and W. Brother Shrier examined the candidate, the finger and the ring, and determined that the ring could not be removed without cutting the ring or taking other extraordinary steps; whereupon, Brother Dudley obtained a flesh-colored band-aid, wrapped it securely around the candidate's finger, covering the ring so that it could not be seen, and instructed the candidate to forget he had the ring on and not to remove the band-aid under any circumstances until he was authorized and instructed to do so. Thereafter, Brothers Humphrey and Shrier reported to the Master the steps which they had taken and the Entered Apprentice Degree was conferred upon the candidate without further incident, but the legal status of the candidate as an Entered Apprentice is now questioned.

I can find nothing in the Code (Constitution or regulations) of the Grand Lodge of North Carolina or in Mackey's *Jurisprudence of Freemasonry* which would in any way disqualify the candidate who was initiated as above outlined. It is true that the candidate should be divested of all minerals and metals in order that he shall not have anything of value on or about his person or which may be used as a weapon or for offensive and defensive purposes; but it is

difficult to conceive how a wedding band could be used either offensively or defensively, and the very fact that the candidate could not get the ring off his finger without a saw or other extraordinary measures not then available would make it useless for any other purpose.

As a matter of fact, I had a gold bridge supporting a false incisorial tooth at the time I was initiated an Entered Apprentice which could have been removed with a saw or other extraordinary means; and I also wore a prosthesis containing two metal hinges approximately 10 inches in length. I am sure there have been many other candidates initiated in the past with metallic dentures, metallic plates and pins in their bones and prostheses, which have not in any way affected their opinion of and duties and responsibilities to Masonry.

I cannot find anything wrong with the procedure followed by the Master of St. John's Lodge No. 1; therefore, I hereby ratify and approve the procedure followed.

It is, therefore, ORDERED that the status of the brother in question is that of an Entered Apprentice in St. John's Lodge No. 1 without the necessity of healing.

It is further ORDERED that this Order be read in open lodge at the next Stated Communication of St. John's Lodge No. 1 after the receipt thereof, recorded in the minutes of the lodge for the communication, and a marginal note be made in the minutes of the communication on March 25, 1975, referring to this Order and the date it was recorded.

Sincerely and fraternally yours,
William L. Mills, Jr.

REPORT OF THE COMMITTEE ON NECROLOGY

(Docket No. 32)

The following report of the Committee on Necrology was delivered by W. Brother I. Boyd Hopkins, Chairman, and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

The Grand Lodge of North Carolina experienced the loss of 1,346 Brethren during this past year. Of that number one was a Past Grand Master, Most Worshipful Brother Edwin T. Howard, elected Grand Master in 1953. Most Worshipful Brother Arnold J. Koonce, P.G.M., will deliver our memorial tribute to Brother Howard.

EDWIN TURLINGTON HOWARD

Born February 26, 1899, Salemburg, North Carolina

Died June 26, 1974, High Point, North Carolina

"Speak to him, thou, for he hears,
And spirit with spirit doth meet;
Closer is he than breathing,
And nearer than hands and feet."

Yes, at this moment, we are conscious of an invisible presence. We can all but hear the voice that has been stilled. We can almost reach out and touch him although he has vanished from our human sight. We feel his presence at this Grand Lodge Communication, for when in the flesh, he was always moving around at his usual duties, touching life with brotherly hand and disseminating his spirit of his own immortality. We have heard his voice so many times in this Grand Lodge, but now his form has vanished out of our sight and we see him no more. Who will dare say that Ed Howard is dead? Who would dare to believe that he is not still really alive somewhere in God's great universe? Who knows but that his immortal spirit may be hovering over us now inspiring us to nobler deeds? His body has been returned to the earth from which it came but he still speaks to us in the silent halls of memory and affection and to live in the hearts of men of those he leaves behind is surely not to die.

Life departed from the mortal body of Ed Howard on Wednesday afternoon, June 26, 1974 in the High Point Memorial Hospital where he had been a patient for a period of two weeks. The church funeral service was held Friday morning, June 28, 1974 in Wesley Memorial United Methodist Church Chapel of which he was a member. This service was followed by Masonic graveside rites conducted by the Masonic Grand Lodge of North Carolina at four o'clock of that same afternoon at the Salemburg Baptist Church cemetery near Clinton, North Carolina.

Ed Howard was a well educated man. He attended the public schools of Salemburg and after graduating from the high school there he attended and graduated from the North Carolina State University with a B.S. degree in Business Administration. He then attended the University of Pennsylvania and the University of Wisconsin. His vocational career began as a public teacher in the schools of North Carolina when he accepted a teaching position in the Raleigh City Schools and subsequently in the Roanoke Rapids High School. He then moved on to High Point in 1929 when he became head of the Department of Industrial Education in the High Point City Schools, which position he retained until 1933 when he resigned in order that he might organize the Howard Auto Finance Company. He served as president and treasurer of that company until his retirement approximately ten years ago.

His Masonic life is fascinating because it reveals his deep and abiding love for others. He became a Mason on November 22, 1928 in Widow's Son Lodge No. 519 of Roanoke Rapids. Two years later, when he had moved to the city of High Point, he transferred his lodge membership to Numa F. Reid Lodge No. 344. He immediately became active in this lodge and was elected to serve as its Master in 1934. He then served as District Deputy Grand Master of the 23rd District

from 1938 to 1943 and it was during this period that he was appointed to the Grand Lodge Finance Committee in 1941. In 1945 the distinguished Grand Master by the name of Clyde Jarrett appointed Ed Howard as Grand Steward of the Grand Lodge. This future Grand Master labored in the quarries of Masonry and was subsequently advanced into each succeeding position of the Grand Lodge line until 1953 when he became Grand Master. He was also a member of the High Point Chapter No. 70 of the Royal Arch Masons as well as a member of the High Point Commandery No. 24 and also of the Allied Masonic Degrees of the United States. Ed Howard was a great organizer and he accordingly organized and served as the first president of the Past Masters Club of the 22nd Masonic District. He found active interest also in the Mystic Shrine and he became a member of Oasis Temple.

Even during his college days he began to express a fascination for fraternal fellowship and he became one of the founders of the Sigma Tau Beta Fraternity and served as its first president.

Year by year the Grim Reaper invades our ranks and one by one we hear the call from labor to rest. Year after year we pause in our Grand Lodge deliberations in silent memory of those brethren who have joined "The innumerable caravan which moves to that mysterious realm". Annually also, we bring to the attention of the members of the Grand Lodge the lives of various Past Grand Masters who during the year have answered the final call. Unfortunately, it has been our sad duty each successive year for a long, long period of time, to remind our brethren that one or more of those of our beloved leaders who have worn the royal purple of our Fraternity and who have directed the affairs of Masonry in our great State for a brief period of time, have now gone on to their reward.

This year, we mourn the passing of a great Mason, Edwin Turlington Howard. The presentation of this tribute is a coveted privilege, carrying with it, of course, an unmistakable connotation of sadness — and yet one of pride, of glory, and of gratitude for the sacred privilege of having had the opportunity to walk with him and to talk with him, to be able to labor with him in the quarries of Masonry and to receive from his hand in April of 1953 in the City of High Point in the United Methodist Church, the administrative reins of the Grand Lodge of North Carolina over which he had presided so superbly during the preceding year.

The passing of Edwin Turlington Howard carried to the Masonic Fraternity throughout North Carolina a sense of personal loss. It is shocking and hard to realize that we will see his gentle spirit among us no more. He was a man of infinite patience, a man of good humor, a man of good will. He was honorable in everything and trustworthy to the last notch. The simplicity and naturalness of his good will drew to him the good will of everyone that came into contact with him.

We come now, my brethren, before this sacred altar, to refresh our memories and to deepen our love for him. In this sacred and solemn hour we are reminded that life's journey is in the valley of the shadow of death. Today there is a special sorrow brewing in our hearts and while we mourn his passing, we also give praise in

memory of him. Ed Howard was indeed a great Mason. In him there were blended all of those qualities that mark the man of excellence. For more than threescore years and ten he walked erect among us exemplifying every principle of Masonry. With sincere and unrelenting ardor he served our great Fraternity and thus Masonry honored him. No honors within our gift were denied him. In lavish measure we bestowed upon him our love and high regard. Ed Howard was one of the most popular Grand Masters the Grand Lodge of North Carolina ever had, and then, as Past Grand Master he continued to serve his brethren.

This slight tribute stems from a personal love that has blessed the years of service which he enriched with his fellowship. It was good to know Ed Howard. He was an interesting and fascinating personality. He moved along the skyline of all that is best in our Fraternity and Masons of North Carolina stand at salute today as we walk softly through these halls with the company of the mighty dead, whose ranks Ed Howard has now joined. His life and influence will live forever. In that Supreme Lodge which shall never adjourn Ed Howard sits at ease among his brethren. His place among us is secure. His place on the other side of the sky is by appointment of the Supreme Architect of the Universe.

Ed Howard was aided in all of his Masonic endeavors by a wonderful companion. He married Pauline Sanders on August 9, 1927. They maintained a delightful Christian home and she now survives him, together with one daughter, Patricia, and there are also three grandchildren and one brother. To his beloved widow we express our gratitude for the privilege of having known this great man and Mason and we assure her his memory will continue to live with us forever.

Traditions have already gathered about his name and he will move through the cycles of history as an ever growing legendary figure. What the world calls greatness fades into the dimness of oblivion. Like Aaron's rod, true goodness blossoms beyond the ken of remembered things. It is this simple goodness, this true greatness of Ed Howard, that we celebrate this day.

"He went down
As when a lordly cedar, green with boughs,
Goes down with a great shout among the hills,
And leaves a lonesome place against the sky."

Volumes have been written about life and death, and life after death. Indeed, memorials clog the memory. What, then, will be the meaning of this memorial? In a very real sense our lives are the continuing celebration of their lives. For, had they not been, we would not be! Therefore, the success or failure of their lives will ultimately be determined by the success or failure of our own lives. It logically follows, then, that our own success or failure will be determined by those who come after us.

At memorial time, then, deep emotions stir within us as we contemplate the living-dying process. Feelings of gratitude fill our cup to running over. Our breasts swell with pride when at Roll Call we hear the names of our Brothers gone before. They are "our" Brothers, and "we are a part of all we have met." Therefore, our voices break

forth into songs of praise for their successes in the home, in the community, in the Fraternity, in their chosen vocation. Our expressed memory pays homage to the sterling quality of their lives. We commend them to the One who does all things well, and we cherish their memory here.

Of course, no life is all success. Our Brothers did not achieve perfection. How glorious it is, then, that from our hearts there radiates a grace that forgives their foibles. Though we knew them well, the Great Architect knew them better. Only He can turn guilt into innocence, apparent failure into success, death into life. So let it be done, that all in heaven may reverence our Brothers' arrivals there.

But what of us? What of us who follow in their stead? Shall we turn their successes into failures? Shall we convert their enthusiastic laughter into empty lethargy? Shall we allow our zeal for the institution to languor? Will a breach of fidelity foul our Fraternity? Heaven forbid!

Their successes motivate us to ascend the ladder that reaches from earth to heaven. Their failures challenge us to practice a charity that extends beyond the grave. Thus it is that our lives are the continuing celebration of their lives. Because they were, we are; because we are, others shall yet be.

And so it is, a look at life in retrospect and life in prospect reveals the fruition of life here and now, which life you and I now live as Brothers of the Universe, but more especially as Brothers of the Fraternity.

What of our Brothers gone before, then? Their lives are gifts entrusted to us. Our lives, consequently, are the celebration of those gifts: gifts of Friendship, Morality, and Brotherly Love; gifts of Faith, Hope, and Charity. Then let us be true and faithful. Let us imitate their enlightening example and support with dignity the courteous character we now bear. For, who is it among us who would not welcome the invitation: "Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world"?

Remember quietly, then, our Brothers gone before,
for soon we follow after them.

Remember gratefully the gifts they bore,
for Brotherly Love is no stratagem.

Remember sincerely their admonition,
"Be ever faithful to your trust."

Remember kindly their bold submission:
from earth to earth, from dust to dust.

Remember well their story to tell
the story of Faith and Hope and Love.

Tell it long, tell it well:
from lodge below to Lodge above.

So mote it be. Amen.

RESOLUTION — GRAND SECRETARY EMERITUS

(Docket No. 35)

The following resolution to bestow the title of Grand Secretary Emeritus on M. W. Brother Charles A. Harris, Past Grand Master, Past Grand Secretary, was presented by M. W. Brother James W. Brewer, P. G. M., Grand Treasurer and adopted:

To the Most Worshipful Grand Lodge of North Carolina:

WHEREAS, The Grand Lodge of Ancient, Free and Accepted Masons in North Carolina has prospered and grown in proportion as its faithful servants have labored diligently in its behalf, dedicating their talents and time to all those helpful efforts which have contributed to the welfare of this great Fraternity; and

WHEREAS, The Grand Lodge of North Carolina has been the fortunate beneficiary for the past fifteen and a half years of the loyal service, the dedicated zeal, the administrative capability, and the consecrated enthusiasm of a truly great Grand Secretary, Charles Anderson Harris, who also, during the year immediately preceding his installation in this responsible position, had ably served the Craft in North Carolina as Grand Master, endearing himself to the many thousands of Masons throughout North Carolina who affectionately would refer to him as "Ole Charlie"; and

WHEREAS, his fifteen and a half years as Grand Secretary have been characterized by a tremendous increase and growth in responsibilities discharged by his office and the handling of those responsibilities with efficiency and dispatch, maintaining a high degree of office morale and thus establishing excellent relationships and rapport with the other Grand Lodges in North America and especially with the subordinate lodges in this State; and

WHEREAS, the passage of the years has now made it necessary that this beloved Grand Secretary retire from the position he has filled so efficiently for so many years, such retirement having become effective as of the first day of October in the year 1974;

NOW, THEREFORE BE IT RESOLVED, by the Grand Lodge of North Carolina, in its Annual Communication for 1975,

FIRST, that we do express our deepest gratitude to our beloved Charles Anderson Harris for his many years of faithful service to Masonry throughout the length and breadth of our State in the many varied capacities in which he has labored, and especially for his fifteen and a half years of service as the Grand Secretary of the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, by bestowing upon him through the vote of this Grand Lodge the title:

GRAND SECRETARY EMERITUS

SECOND, that a copy of these Resolutions be presented to Most Worshipful Brother Harris and a copy presented to the Editor of The North Carolina Mason for early publication therein.

Respectfully submitted to the Board of General Purposes and unanimously approved by them in session March 14, 1975, on motion made by Most Worshipful Brother James W. Brewer, and seconded by Right Worshipful Brother Hiram J. Casebolt, for submission to the forthcoming Annual Communication of the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina.

RESOLUTION — CHARLES A. HARRIS

(Docket No. 36)

The following resolution to recognize and present M. W. Brother Charles A. Harris, P.G.M., P.G.S., a token

of appreciation for his many years of unselfish service was presented by M.'W.'.Brother James G. Johnston, P.G.M. and adopted:

To the Most Worshipful Grand Lodge of North Carolina:

Brethren, in addition to the honorary title of Grand Secretary Emeritus which you have just conferred upon our much beloved Brother Harris, the Board of General Purposes at its March 14, 1975, meeting discussed, recommended and approved the presentation of a check in the amount of \$5,000.00 to Charlie Harris in recognition of his many years of faithful service to this Grand Lodge and as a token of our appreciation of those years of unselfish service.

The Committee on Finance has been apprised of the action of the Board of General Purposes and has made provision for this fund in the Committee's upcoming budget which will be presented to you for your approval.

I would remind you that Charlie Harris was elected last April as Grand Secretary for the term ending with this Annual Communication, but due to the condition of his health, he was forced to resign that office effective last September 30th. I would remind you also that Charlie Harris served the Grand Lodge during years in which modest salaries were paid and little opportunity was afforded him to set aside a handsome nest egg for his retirement years.

If you approve of this idea, you will be contributing to Brother Harris a sum approximately equal to the salary he would have earned had he been able to continue in the office for the full term to which he was duly elected and installed.

I recommend that you approve of this expenditure and direct the Committee on Finance to incorporate in its budget the payment of \$5,000.00 to Charlie Harris, and I so move.

REPORT OF THE COMMITTEE ON APPEALS

(Docket No. 40)

The following report of the Committee on Appeals was read by W. Brother Norwood P. Parker, Chairman, entered on the record, adopted by sections and then adopted as a whole:

To the Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals respectfully submits the following report:

1. We have reviewed the record in all cases which have been completed since the Annual Communication in 1974, and now pending before the Committee, wherein the accused has been expelled under the provisions of Regulation 99-22 of THE CODE of 1948, as amended, and in none of which the accused appealed from the decision of the Judge Advocates. We particularly directed our attention to the strict compliance with the Regulation, and in each of the following cases we recommend that the decision of the Judge Advocate be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 282: In the matter of charges preferred against a Master Mason of Keystone Lodge No. 726, A. F. & A. M. Expelled June 25, 1974.

TRIAL DOCKET NO. 283: In the matter of charges preferred against a Master Mason of St. Alban's Lodge No. 114, A. F. & A. M. Expelled June 25, 1974.

TRIAL DOCKET NO. 284: In the matter of charges preferred against a Master Mason of St. Alban's Lodge No. 114, A. F. & A. M. Expelled June 25, 1974.

TRIAL DOCKET NO. 287: In the matter of charges preferred against a Master Mason of Wayne Lodge No. 112, A. F. & A. M. Expelled December 20, 1974.

TRIAL DOCKET NO. 291: In the matter of charges preferred against a Master Mason of Kedron Lodge No. 387, A. F. & A. M. Expelled December 23, 1974.

TRIAL DOCKET NO. 293: In the matter of charges preferred against a Master Mason of Stedman Lodge No. 730, A. F. & A. M. (Excluded November 5, 1973 for NPD) Expelled March 5, 1975.

2. We have reviewed the record in all cases which have been completed since the Annual Communication in 1974, and now pending

before the Committee, in all of which the punishment imposed was expulsion, and in none of which the accused appealed from the decision of the Trial Commission. We directed our attention to the validity of the appointment of Trial Commissioners, the service of notices upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapter 98 to 106, inclusive, of THE CODE of 1948, as amended. Your Committee approves the decision of the Trial Commission in the following cases, and recommends that the judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 280: In the matter of charges preferred against a Master Mason of Cabarrus Lodge No. 720, A. F. & A. M. Expelled June 25, 1974.

TRIAL DOCKET No. 281: In the matter of charges preferred against a Master Mason of Monroe Lodge No. 244, A. F. & A. M. Expelled June 25, 1974.

TRIAL DOCKET NO. 290: In the matter of charges preferred against a Master Mason of Bula Lodge No. 409, A. F. & A. M. Expelled January 17, 1975.

TRIAL DOCKET NO. 292: In the matter of charges preferred against a Master Mason of Oxford Lodge No. 122, A. F. & A. M. Expelled January 17, 1975.

3. We have reviewed the record in all cases which have been completed since the Annual Communication in 1974 in which the punishment imposed was other than expulsion. Your Committee approves the decision of the Trial Commission in the following cases, and recommends that the judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 278: In the matter of charges preferred against a Master Mason of Wilmington Lodge No. 319, A. F. & A. M. Suspended for a period of two years June 25, 1974.

TRIAL DOCKET NO. 285: In the matter of charges preferred against a Master Mason of Richlands Lodge No. 564, A. F. & A. M. Suspended for a period of two years September 9, 1974.

TRIAL DOCKET NO. 286: In the matter of charges preferred against a Master Mason of Richlands Lodge No. 564, A. F. & A. M. Suspended for a period of one year September 9, 1974.

TRIAL DOCKET NO. 289: In the matter of charges preferred against a Master Mason of Hickory Lodge No. 343, A. F. & A. M. Suspended for a period of six months December 11, 1974.

4. In the matter of charges preferred against a Master Mason of Carthage Lodge No. 181, A. F. & A. M. (TRIAL DOCKET NO. 279). In this case the accused was found guilty of a serious Masonic offense, committed while under a sentence of suspension for a similar violation (TRIAL DOCKET NO. 271). Your Committee approves the decision of the Trial Commission as to the guilt of the accused, but is of the opinion that punishment of being reprimanded in open lodge is too lenient. For this reason your Committee recommends that the accused in the above caption be suspended for a period of one

year effective with the adoption of this report and that the Grand Lodge so order.

5. In the matter of the Petition for Restoration of Ellis Ludlow Lee to the rights and privileges of Masonry. The petition was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on October 20, 1967 (TRIAL DOCKET NO. 243). A true copy of the petition with the statement of grounds upon which the petitioner seeks restoration was served on Charles M. Setzer Lodge No. 693, A. F. & A. M., in accordance with Chapter 109 of THE CODE of 1948, as amended, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the petitioner under the provisions of Regulation 109-07. After carefully examining the record in this matter, this Committee recommends that the Grand Lodge restore Ellis Ludlow Lee to all the rights and privileges of a nonaffiliated Mason.

6. In the matter of the Petition for Restoration of R. F. S. to the rights and privileges of Masonry. The petition was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on July 25, 1969 (TRIAL DOCKET NO. 248). A true copy of the petition with statement of grounds upon which the petitioner seeks restoration was served on Garner Lodge No. 701, A F. & A. M., in accordance with Chapter 109 of THE CODE of 1948, as amended, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the petitioner under the provision of Regulation 109-07. On the other hand, no information, recommendation, or testimony has been adduced to support the petitioner's claim that he has forsaken his former ways, or mitigate the seriousness of the charge for which he was dismembered. For that reason, and after careful consideration, your Committee is of the opinion that the petitioner is not entitled to restoration at this time and recommends that the Grand Lodge deny such petition for restoration.

Respectfully submitted,

NORWOOD P. PARKER, P.M., C.L., *Chairman*

HIRAM J. CASEBOLT, *Senior Grand Warden*

C. WALLACE JACKSON, P.M.

SAM D. SMITH, P.M.

MAURICE J. STOKES, P.M.

The budget for the year ending December 31, 1974, has been carefully examined and we are happy to report that the expenditures are in keeping with our budget. An audit has been made for this budget period, and a copy will be printed in the Proceedings for your information.

We have consulted with the Board of Directors of the North Carolina Masonic Foundation, Inc., and can report they have transferred to Oxford Orphanage and the Masonic and Eastern Star Home \$42,400.00 each during the past calendar year. We recommend the income from the Foundation continue to be contributed directly to the Oxford Orphanage and the Masonic and Eastern Star Home.

Your committee, in the preparation of the proposed budget, has followed the excellent recommendations of the Grand Master in respect to the budget accounts, and the committee commends the Grand Master for his efforts on behalf of the Grand Lodge.

We recommend the Charity Fund pay to the Masonic and Eastern Star Home, and to the Oxford Orphanage the sum of \$7,000.00 each, thus making a total appropriation to each institution in the amount of \$15,000.00. Should the amounts paid from the Foundation to the institutions be less than \$35,000.00 each, we recommend that the Charity Fund of the Grand Lodge pay such other amounts, in addition to the above \$7,000.00 each, as may be deemed necessary to insure the institutions shall receive a combined total minimum of \$50,000.00 each during this calendar year. (Adopted)

The committee has carefully considered the two recommendations of the Grand Master in his report under the heading RECOMMENDATIONS REGARDING FINANCES in regard to the special contingency reserve fund. We, therefore, recommend that the additional sum of \$15,000.00 be transferred from the general surplus to this special contingency reserve fund, and that any expenditures from this said fund be restricted, without exception, to authorization by the Grand Lodge for specific purposes. (Adopted)

The committee having been informed of a resolution which has been adopted by the Grand Lodge, authorizing the amount of \$5,000.00 to Most Worshipful Brother Charles A. Harris, Past Grand Master,

Past Grand Secretary, for meritorious and dedicated service, the committee has included this amount in the budget.

We recommend the Grand Master and the Committee on Finance review the General Fund authorizing the surplus funds, in their discretion, be transferred to the Grand Lodge Building Reserve Account. (Adopted)

We recommend the Grand Master have authority, when he deems it advisable for the best interest of the Grand Lodge, to suspend the allotment made to any committee, activity, or agency of the Grand Lodge. (Adopted)

We recommend further that when it shall appear for the best interest of the Grand Lodge, the Grand Master be authorized to give written authorization for this budget to be exceeded by any department, agency or office to incur out-of-ordinary expenses not herein provided for, within availability of funds. (Adopted)

Respectfully submitted,

**PRESENTATION OF GAVEL
TO INCOMING GRAND MASTER
BY HENRY F. NOBLE,
DEPUTY GRAND MASTER OF KENTUCKY**

Grand Master: Brethren, it is my pleasure at this time to recognize the Right Worshipful Henry F. Noble, the Deputy Grand Master of the Grand Lodge of Kentucky — Brother Noble.

R. W. Henry F. Nobles: Most Worshipful Grand Master and Brethren, I want you to know that this little presentation that I am about to make to your incoming Grand Master is one this morning that the inquiry was made about what I had in the paper bag and coming from a Deputy Grand Master by the name of Noble (and I assure you I have no special feeling for a Noble). I am not partial at all, but coming from him, I can see what you all are about to be faced with for the next twelve months — a person as inquisitive as he is. I told him that I had in it a package of tobacco because I had spent the night in Winston-Salem on Sunday, but in February at the Grand Masters' Conference, I was able to persuade your Grand Secretary into furnishing me three of your Bicentennial coins, and I wanted them for the express purpose of placing them upon a gavel that your Grand Master might have it to preside over your Grand Lodge meetings. Most Worshipful Sir, I will now address you as such, I have on one side a coin polished with the Grand Seal of your Grand Lodge, on the other side our Founding Father, and on the face of it engraved Most Worshipful S. Frank Noble, Jr., Grand Master, Grand Lodge A. F. & A. M. of North Carolina, 1975-76. May you use it Sir with the proper decor.

R. W. S. Frank Noble, Grand Master-Elect: Right Worshipful Brother Noble, I wish to express my appreciation for this fine gavel which you made, and I will certainly treasure it.

M. . W. . ARNOLD J. KOONE, SR.:

I now have a very pleasant duty to perform. Standing with me is our immediate Past Grand Master, Most Worshipful William L. Mills, Jr. Our distinguished Past Grand Master has served this Most Worshipful Grand Lodge with fervency and zeal; his dedication and devotion to Masonry is unquestioned. He has spent long hours away from his family, his profession and his church. He presided over this session of the Most Worshipful Grand Lodge in North Carolina with dignity and decorum and above all, fairness, which will be long remembered by every Master Mason present. We, of this Most Worshipful Grand Lodge, are appreciative of his outstanding leadership

during the past twelve months — we anticipate his presence with us in the years ahead.

Most Worshipful Brother Mills, on behalf of this Most Worshipful Grand Lodge, it is with pleasure that I present this Past Master's Jewel to you as further evidence of our esteem. You have earned this Jewel which I hope you will wear with pleasure to yourself and honor to the Fraternity.

INSTALLATION REMARKS OF

M. W. BROTHER STEPHEN FRANKLIN NOBLE, JR.

Grand Master of Masons in North Carolina

Most Worshipful Brother Pugh, Distinguished Guests, Ladies, and Brethren:

I feel very humble as I stand before you tonight as Grand Master of Masons in North Carolina. I do not know any words that would adequately express my feelings and deep appreciation for the honor that has been bestowed upon me at this time.

To the brethren who elected me to this high office, I say sincerely, "thank you." With God's help, I will assume the duties and responsibilities of this office and will endeavor to carry them out to the best of my ability. I realize that no one in position of leadership can be successful without the support of those with whom he labors, and I covet your prayers, cooperation, and help.

I am deeply grateful to Most Worshipful Brother R. L. Pugh for serving as Installing Officer and for the excellent manner in which the ceremony was conducted. I thank Most Worshipful Brother A. A. Kafer, Jr., for serving as Marshal, and my brother, John Clark Noble, for serving as Assistant Marshal.

To Most Worshipful Brother Kafer, I express special appreciation for having appointed me Grand Steward in 1967, thereby giving me the opportunity of working with the Past Grand Masters who have preceded me and with the fine slate of Grand Lodge Officers who have been installed here tonight. I am grateful for the help and advice I have received from both Brother Kafer and Brother Pugh and solicit their continued support.

To the Past Masters from my lodge and district for filling the various stations and places during the Installation Ceremony, and who will close the Grand Lodge of North Carolina when we finish here tonight, I again say humbly and most sincerely, "thank you."

It gives me special pleasure to have present members of my lodge, St. John's Lodge No. 3, Craven Chapter 129, Order of Eastern Star, and members of my district and their families. They have traveled some distance to be here, and I can't tell them how much it means to me that they have made this special effort to lend me their support.

To our Grand Secretary, Right Worshipful Pete Dudley, and to W. Jack Honeycutt, to the brethren in the Raleigh area, I wish to express special appreciation for the fine work they have done preparing for and executing the details necessary for this Annual Communication. They have done an outstanding job.

There is one other person here tonight I must not overlook — my wife, Frances — to whom I am deeply grateful for her love and understanding; for the nights she has been a Masonic widow without complaining; and for all the help and support she has given me.

To all of you present for this Installation Ceremony, "thank you for coming." It means much to me to have *each one* of you here.

In closing, my brethren, let me say that with the many problems facing our country today, more than ever, we can help on an individual basis if each one of us will live according to the precepts and principles of Masonry.

WHEREAS, The officers and members of William T. Bain Lodge No. 231, A. F. & A. M., believe that the interest of Masonry in the area served by the hereinafter named eleven Masonic Lodges will be best served if the territorial jurisdiction of said William T. M. in North Carolina, to grant concurrent jurisdiction to each of the eleven Masonic Lodges heretofore named, over all the territory now occupied by each of the said Masonic Lodges. It is not the intent of this petition to change the location of said William T. Bain Lodge No. 231, A. F. & A. M., but to extend and make concurrent, its territorial jurisdiction as hereinbefore set forth; and

BE IT RESOLVED FURTHER, That it is the intent of each of the eleven lodges hereinbefore named to approve and adopt this resolution and petition in its entirety without change, as it is written, and that upon the failure or refusal of any one of said lodges to do so this resolution and petition shall be null, void and of no effect. 2-06(3); 38-06(4); 48-09; 48-10; 48-13; 72-06
